To all my
 good and close
 friend. I will always
 like ya alot. Keep in
 touch with me. You are a
 really close friend of mine
 and I will stay that way for
 ever. I wish me and David were
 done better, but I guess we just went
 our separate ways. I will always love
 him. Maybe someday we can (mean David)
 be better friends. David was the first one I ever
 loved in my life. I will always love him.

Love ya lots!

To a very sweet

 know what I mean).
 Well good luck in

MUSTANG SCHOOL SCHOOL

Mustang, OK
Volume 17

The year of 1981-82 was very much a "fad" year, and Mustang, by no means was going to be left behind. The main thing that swept through Mustang High School was the Western "Boom." The "Boom" hit with full force sometime at mid-year and hardly a person was seen without a pair of boots and some Levi's on. There were cowboy hats, Willie Nelson jeans, Gilley's T-shirts, and Kenny Rogers' concerts. Not everyone, however, jumped on the "bandwagon," but all in all, everyone was "just a little bit country" at Mustang High School.

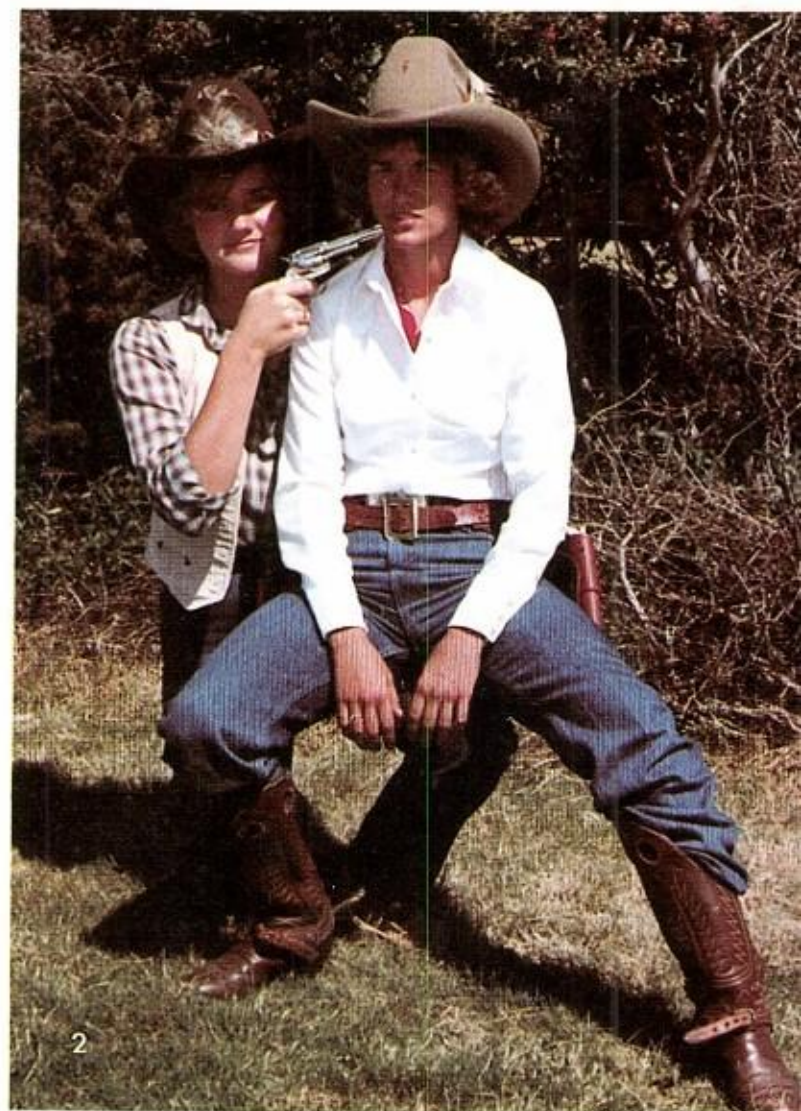

1. The Future Homemaker's of America study quite hard. 2. The 1981 Football Queen Mary Garrett and her Court: Brenda Terrett and Jamie Sanders. 3. Mike Bowling plays "Klinger" on M*A*S*H* day. 4. Terri Triplett, Julie Wilson, Kari Teeple and Dana Smith show how much they support the Broncos by attending the football games. 5. The Mustang High School Speech Department presented one of two plays they were doing for the High School and parents.

Class of '83 Learns Traditions at MHS

The junior class worked this past year having their sights set on a prom ahead in the spring. They knew how hard they would have to work to have a successful prom. The class realized it would take the whole class of '83 working together to make this prom the best ever.

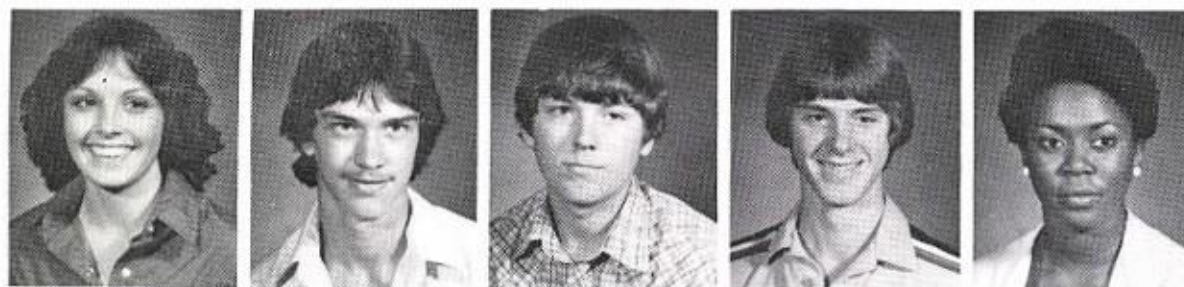

They started the year off with the annual magazine sales. Terri Ross was the top seller. In October they sold

candy. In December, they tried something that nobody had ever sold before, litter baskets. These litter baskets could have either your favorite N.F.L. team or The Mustang Broncos on them. The junior class officers for the 1981-1982 school year were: president, Cecil Wolf; vice-president, Jerry Ralls, secretary, Morgan Owens, and treasurer, Sylvia Stamp.

The freshmen class had an exciting year. They experienced the ups and downs of their first year in high school and made it through with a lot of memories to look back on. They participated in fund raising projects, already saving for their prom. They were also involved in the king and queen of hearts competition. The class officers were: Pres. D. Sweeney, Vice Pres. D. Moore, and Sec./Treas. K. Roddy. These three people represented the 280 students enrolled as freshmen.

The school year started with many Math and Science classes being held in a new addition to our campus, the East Wing. During the week of inservice, the teachers began the moving process. They moved all their equipment and supplies into the new classrooms, along with the new supplies. There was a new room for each of the teachers, with Mr. Armstrong teaching Calculus I and II, Trigonometry and Algebra I and II; Mr. Hale teaching Geometry, Composite Math, and Algebra I and II and Mr. Shipman teaching Algebra, Geometry and Physics I and II. Mr. Peak joined the staff this year to teach Composite Math as well as Biology. There was also a new computer room in the new wing, along with the new science facilities. The change was very different, especially for the long-termed teachers, but they all admitted it was a very nice change.

The new science facilities were a great improvement this year. There was a new Chemistry Lab for Mr. Miller and his Chemistry I and II classes, and each of the other Science and Biology classes. Ms. Lacy taught Biology as well as another new addition to the faculty, Mrs. Hamm. Ms. Hayes taught General Science, and Mr. Waterbury taught Biology I and II, as well as helping with instructing students on the new computers. The new wing and new facilities became a very big help to the education of the students in the Math and Science departments.

A decision to make. That's the way each new year is started off in the Yearbook class. A decision for a theme. There has to be one that's just right, one that's special for this year, and one that the whole class agrees on. Finally, the theme is thought of . . . "Just A Little Bit Country," and the work begins. At Christmas the Staff joins with Newspaper to put on an appreciation luncheon for the teachers. The editors of the Newspaper assign stories to their staff each Monday and it's their job to get the stories finished and ready to go by Friday. Their stories are then put together to make up the **BRONCO SCENE**.

This year was once again an outstanding year for MHS's Jazz Reflection. The year was kicked off with a performance at open house, and then a concert in which they joined with the band to give the student body some enjoyment and to give themselves a taste of what it was like to be performing for an audience. During the months of November and December the choir kind of laid back in order to prepare for the annual musical. This year "Guys and Dolls" was selected and presented. Then as contest

season began, the choir really got to work. They attended the Northeast Jazz Festival, where they made straight 1's. Then they traveled to Talequah. They had never performed in this part of the country before and they made 1's. To finish the year the choir traveled to Enid for Tri-State and once again pulled through with straight 1's. "Next year will be even better," said Susan Vaughn, director.

Firm Believers

Ten young ladies had a belief in their school. They were firm believers in most every activity. These ladies were the varsity cheerleaders. They decided to make their week at camp a little more exciting. To do this they attended Southern Methodist University Cheerleading Camp in Dallas, Texas. This camp was the largest ever attended by the girls and gave them quite a scare at first. Overcoming their fears, they brought home four superior ribbons and a spirit stick. The girls worked together all summer to pay for their new uniforms and other activities. They raised money by holding bake sales, working a concession stand at the Fairgrounds Speedway, and a fireworks stand. The cheerleaders participated in a competition at Quail Springs Mall and were on "The Scene" a television show on Channel 25.

The average cost per girl for her uniforms, equipment and odds and ends is approximately \$500 (if there were no money raising projects). During the summertime they practiced about eight hours a week in the mornings and spent quite a few hours more working on money raising projects and giving drinks to the football players during two-a-days. The girls practice between one and two hours a week, besides the time cheering at games, planning pep assemblies and cheers for the games. So you see, there is more to being a cheerleader than just those few hours they are seen at the game.

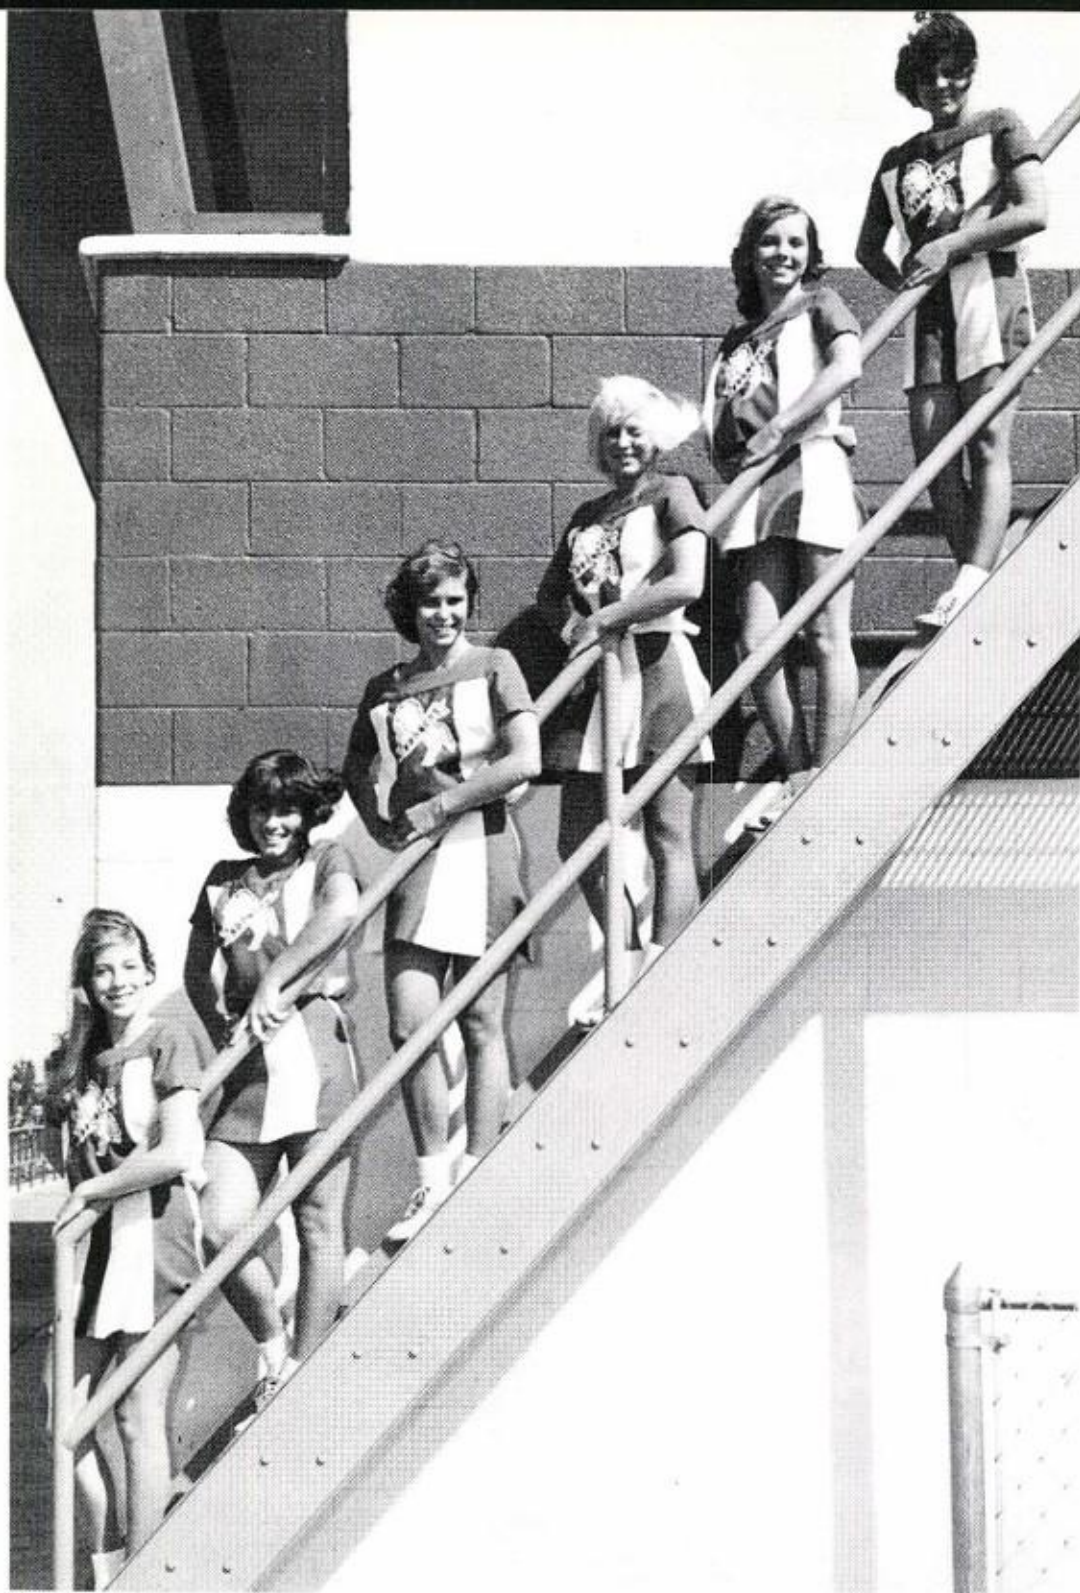

Sponsors: J. Bergland, S. Patredis (far right) Cheerleaders: Seniors—Laura Hindman, Dolores Cooper, Brenda Terret. Juniors—Micki Edwards, Cheryl Snead, Angie Franks, Karen Carpenter. Sophomores—Holly Meeks, Shannon Stringer, Fran Ikerd.

This year's Freshman cheerleaders showed lots of school spirit. They have a very busy schedule to keep up with. They cheer for all freshman sports and also the J.V. teams.

The cheerleaders spend part of their summer at a cheerleading camp in Tulsa. They received a superior ribbon and a spirit stick every day. They also paged at the Capitol and held bake sales to raise money to pay for their uniforms and camp.

The National Forensic League is a National Honor Society with the purpose of promoting the interests of interscholastic debate, oratory and public speaking. They must rank in the upper two-thirds of their class and earn a minimum number of points in competition. Debators are accelerated students with their eyes on professional goals. They traveled about 4,000 miles this year, and spent an average of twenty hours a week practicing, with more hours spent during tournament week.

At the State Tournament, they took second in Sweepstakes; and some of the students were also involved in the State One-Act Play, in which they also placed second. The speech students compete in categories such as poetry; prose; duet acting, both humorous and dramatic; and humorous and dramatic interpretation, as well as oratory events. The Drama Society is a club of students who are interested in the theater as well as the performing arts. The club put on a fall play this year, "You Can't Take It With You"; and in the spring they put on the "Follies", as well as having pledge week to initiate the new members.

Merlin Society— They're One Of A Kind

Something new was initiated this year by the National Honor Society. The members volunteered to help tutor students needing help in their basic classes. The tutoring was before school on Tuesdays and Thursdays. The response was not enormous, but some did come in for this free help.

Awesome Defense

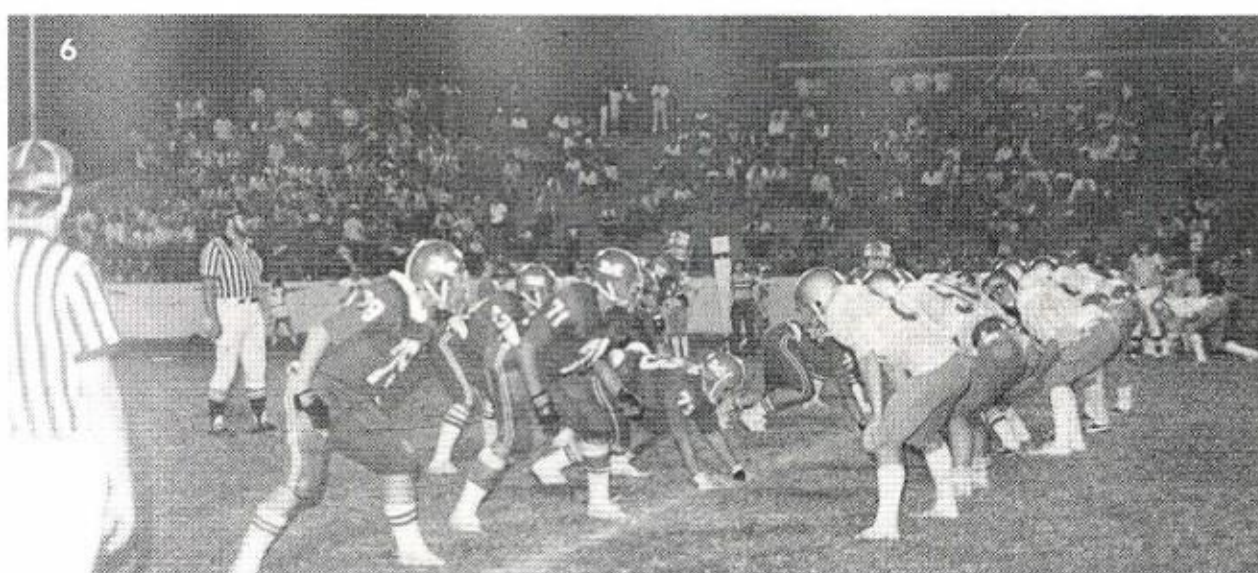

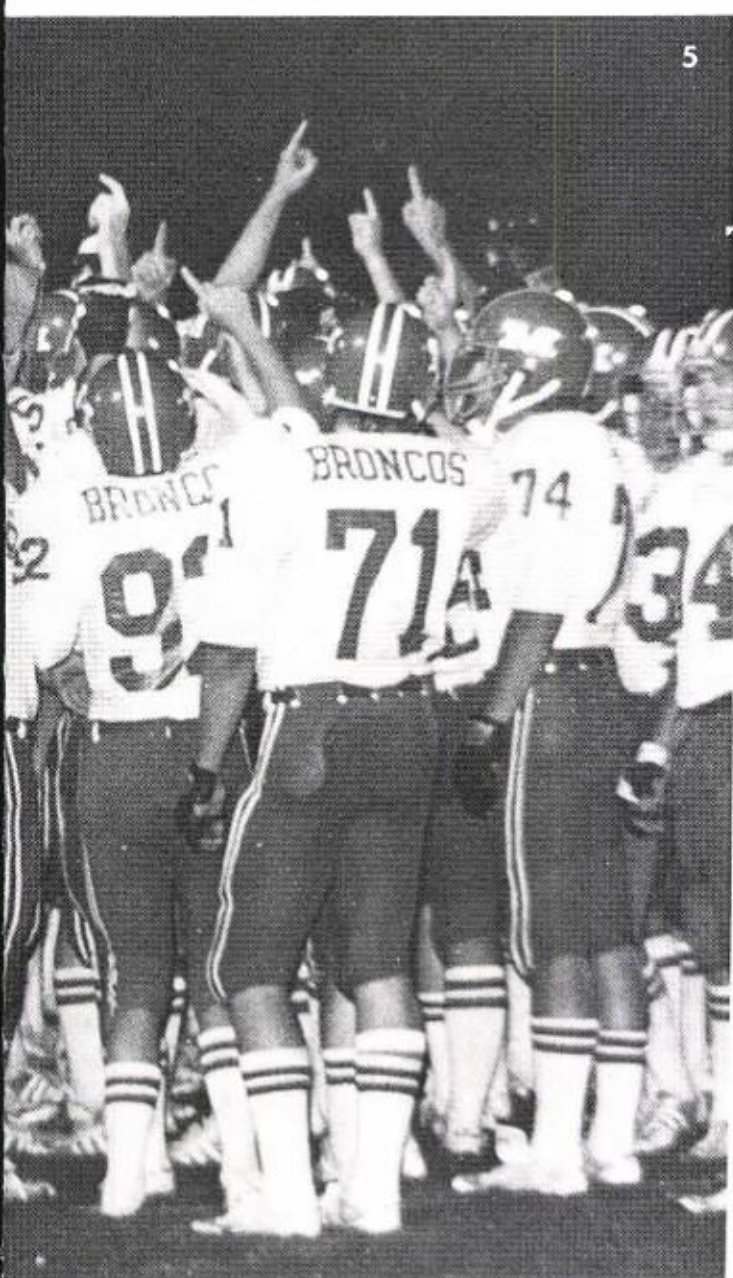

Key To Success

"They have a much better defensive team than they had last year." was just one of the remarks made about the tough Bronco defense. The team had a winning season and played two play-off games before getting beat by the Guthrie Bluejays 21-7. The Broncos beat the Bluejays in their second game of the season 6-3. Our first loss of the season was to Yukon, 10-0. Both teams entered the game unbeaten, which made the stakes even higher, not to mention the great rivalry with the neighboring town, but not even the awesome defense could hold on to their undefeated record. However, the defense did show its awesomeness blanking out four of its nine regular season opponents. They began their season beating Capitol Hill 27-0 and continued on, winning against Guthrie. They next won their rivalry game with Western Heights with ease. The winning streak continued in the Homecoming game against McGuinness, and next came the two games against the big schools. Yukon proved the superiority of their class, but Norman could not have proved it, being beaten 14-0. Choctaw was the next victim with the Broncos scoring 21 and shutting the Yellow Jackets out in the cold, or should it be said, the mud. The game against Choctaw could be described as the "Mud Bowl" with both teams' school colors appearing to be brown.

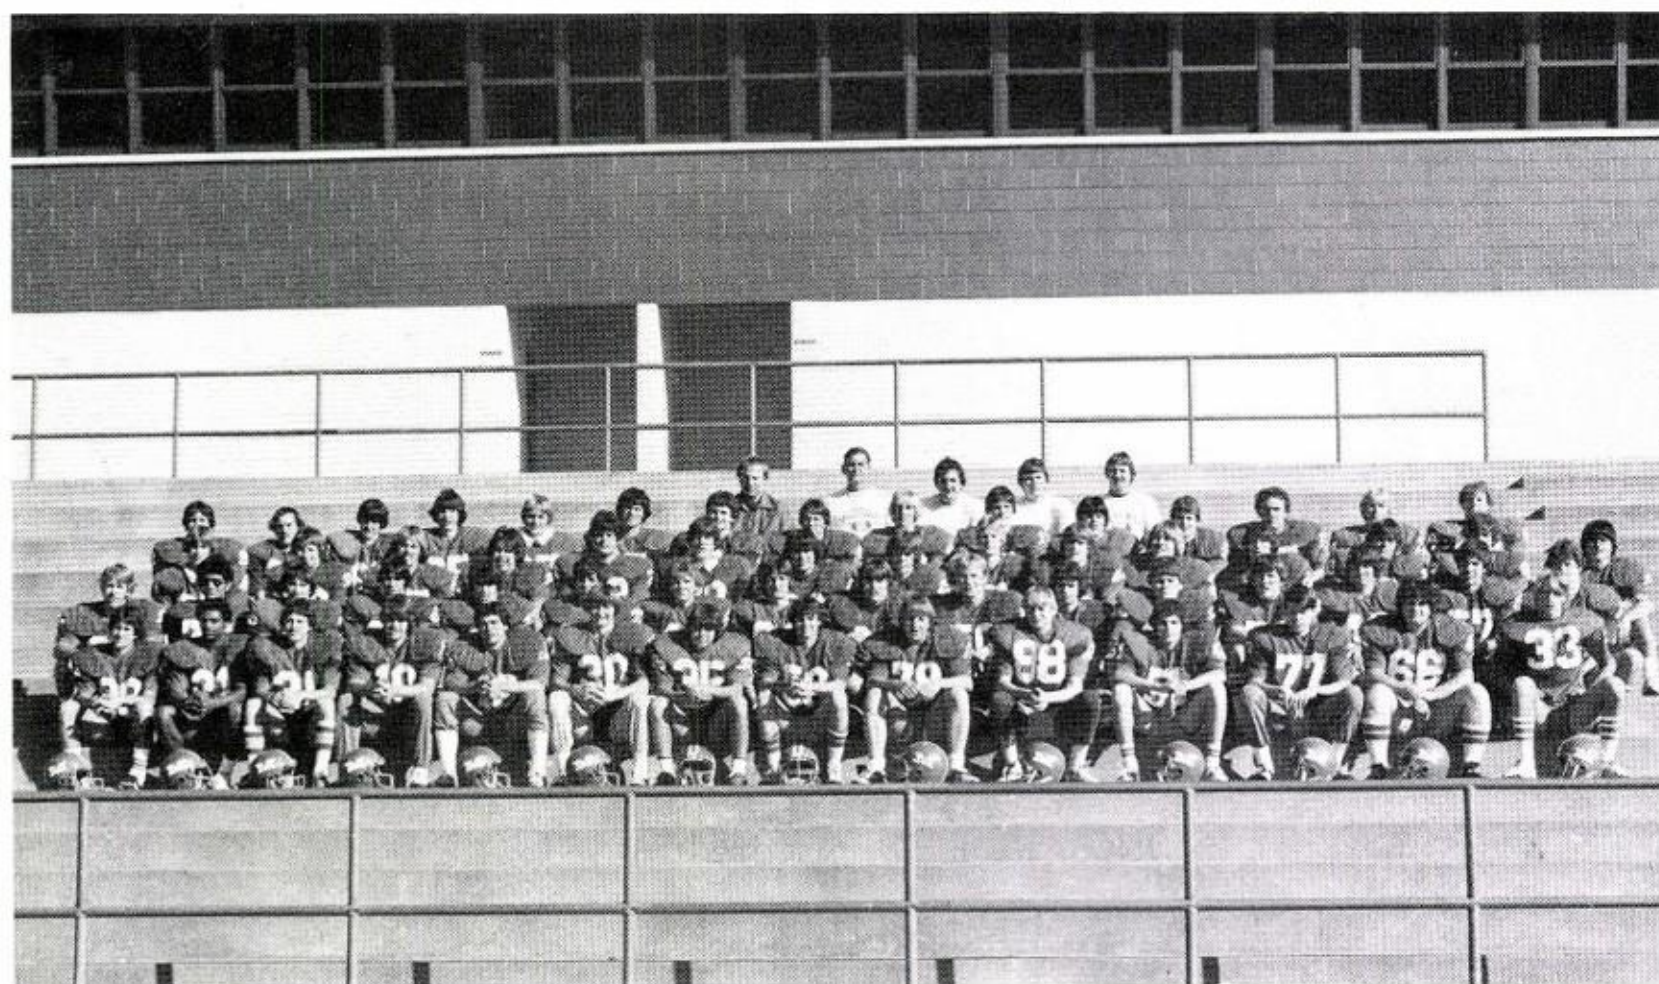

Starting into the District games, the Broncos won two out of three. They lost the first by a touchdown to El Reno's State runner-up team, but we came back strong beating the Fighting Chicks by 22 points. Carl Albert fell to the Broncos 19-14, and they headed to Duncan for the playoffs. Leaving the Demons with helmets in hands, they came back for the regional game against Guthrie. But Guthrie's Bluejays had improved since early season and left the mighty Broncos with a glimpse of State.

1. Coach Carpenter has discussion with officials. 2. The Broncos awesome defense is shown here by Jeff King. 3. Ricky St. John shows off his superior kicking abilities. 4. Troy Chestnut does a few dancesteps while quarterbacking. 5. Spirit raises from the huddle as each of the players show who's the best. 6. Defense on the line. 7. Broncos break through with pride.

Broncos Are Something To Cheer About All Year Long

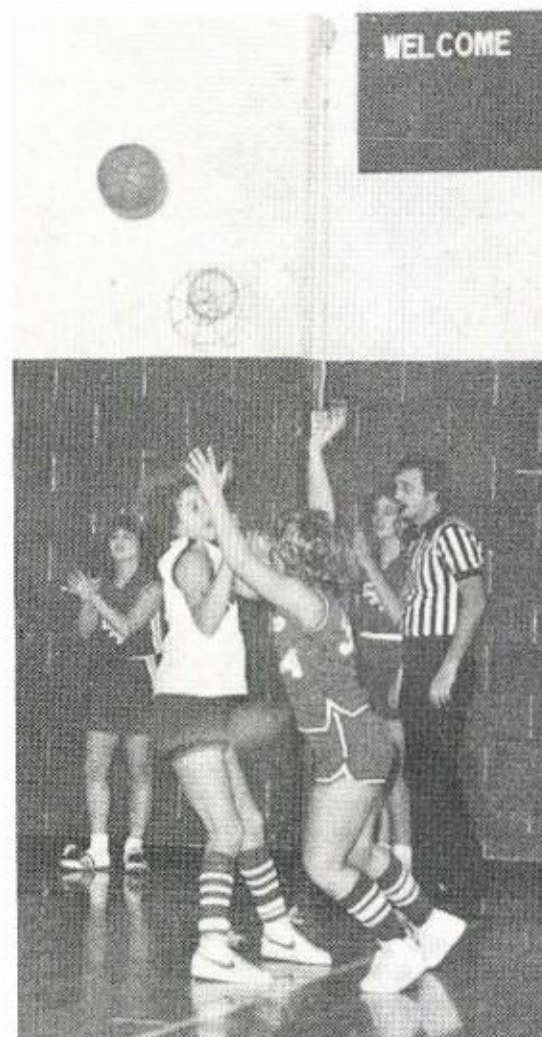

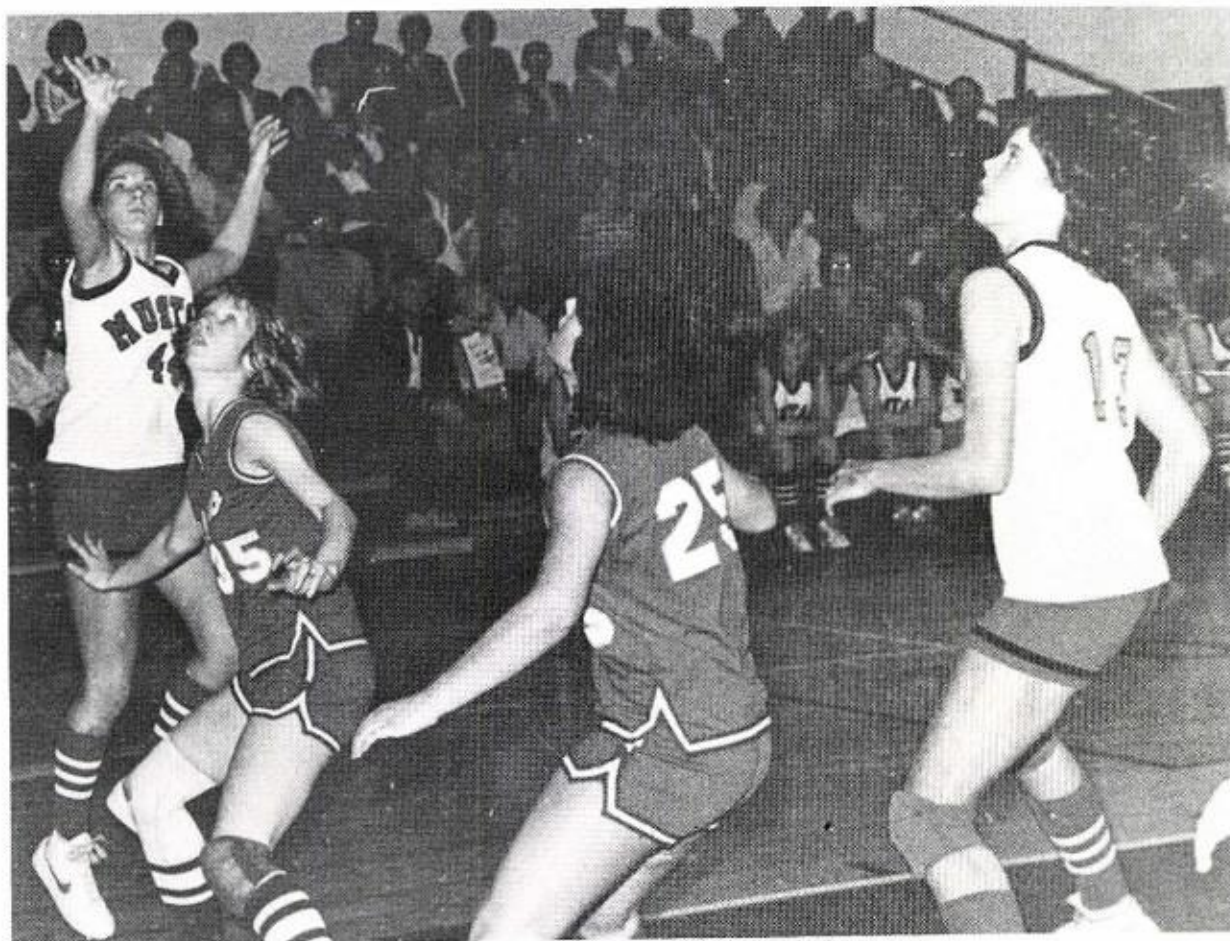

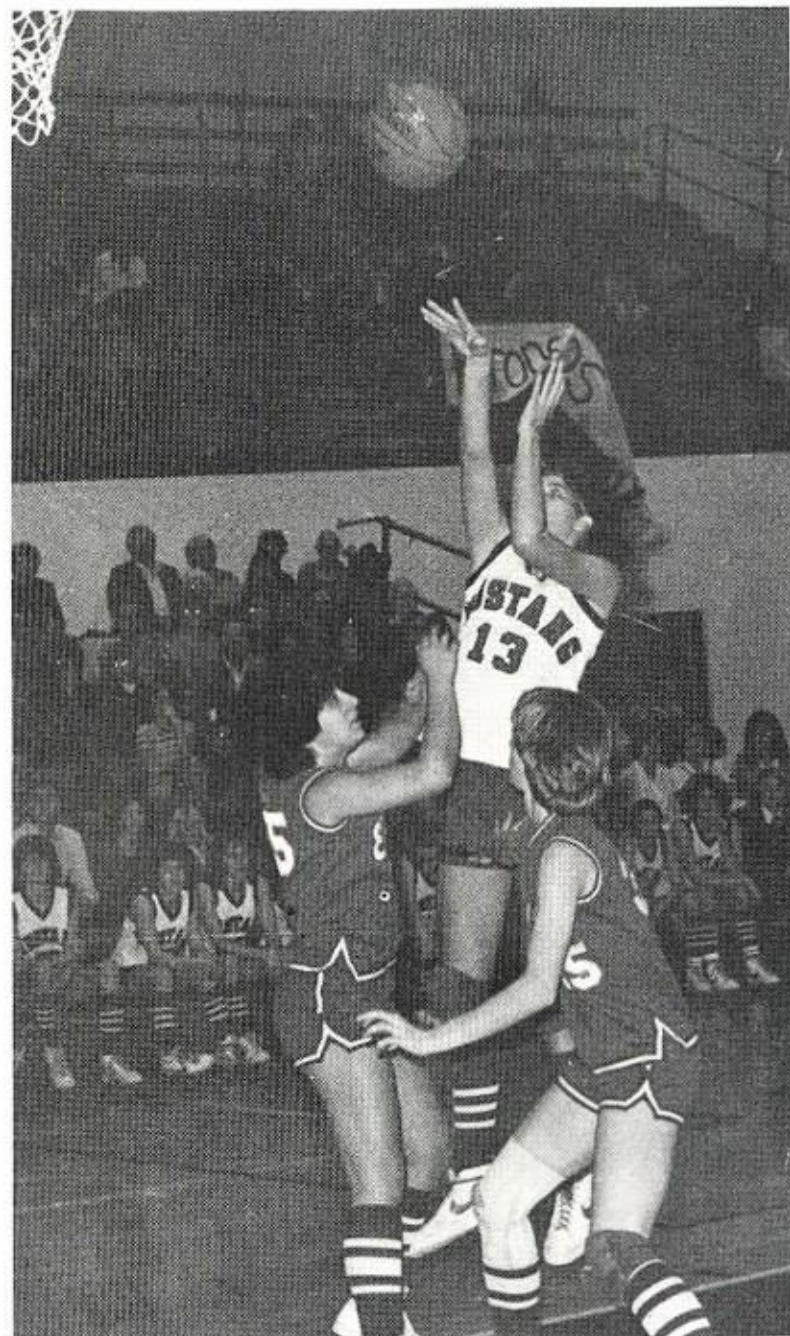

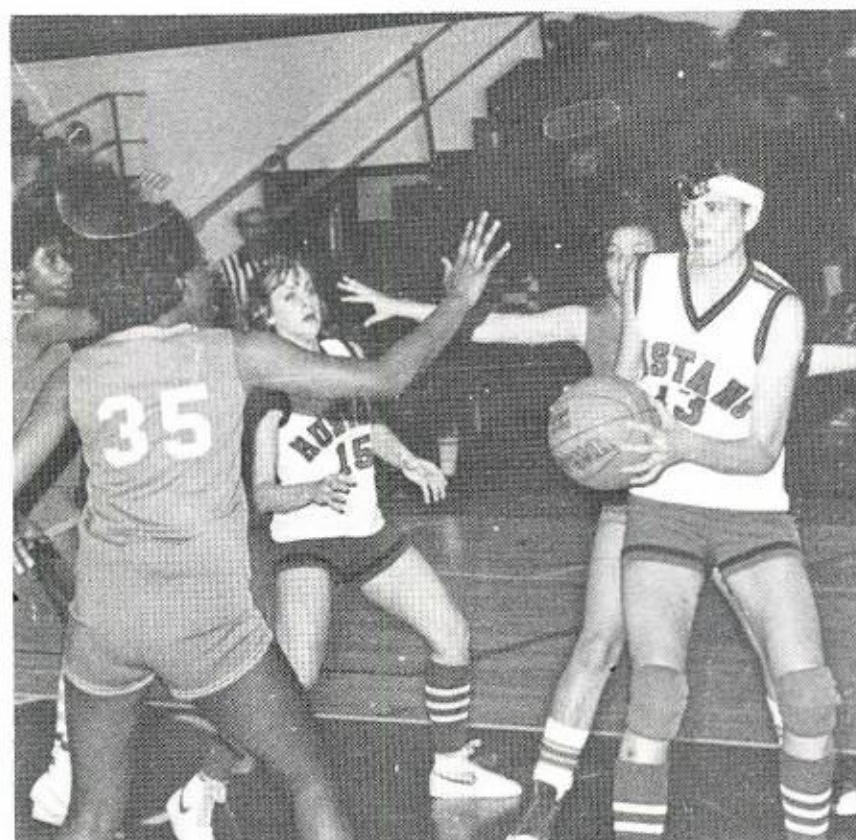

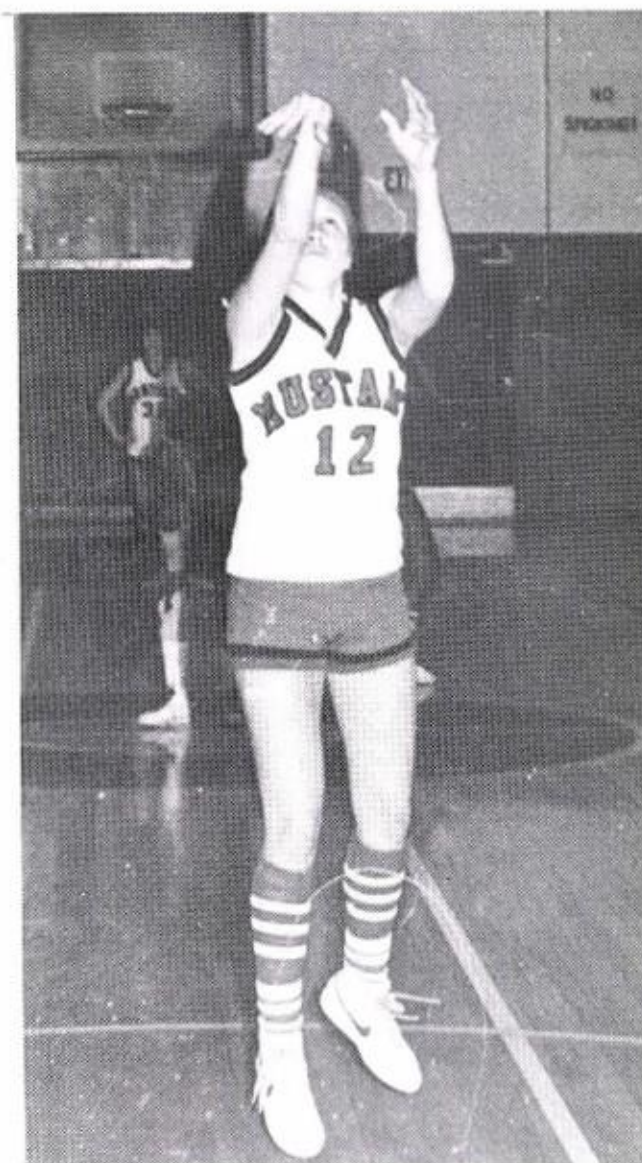

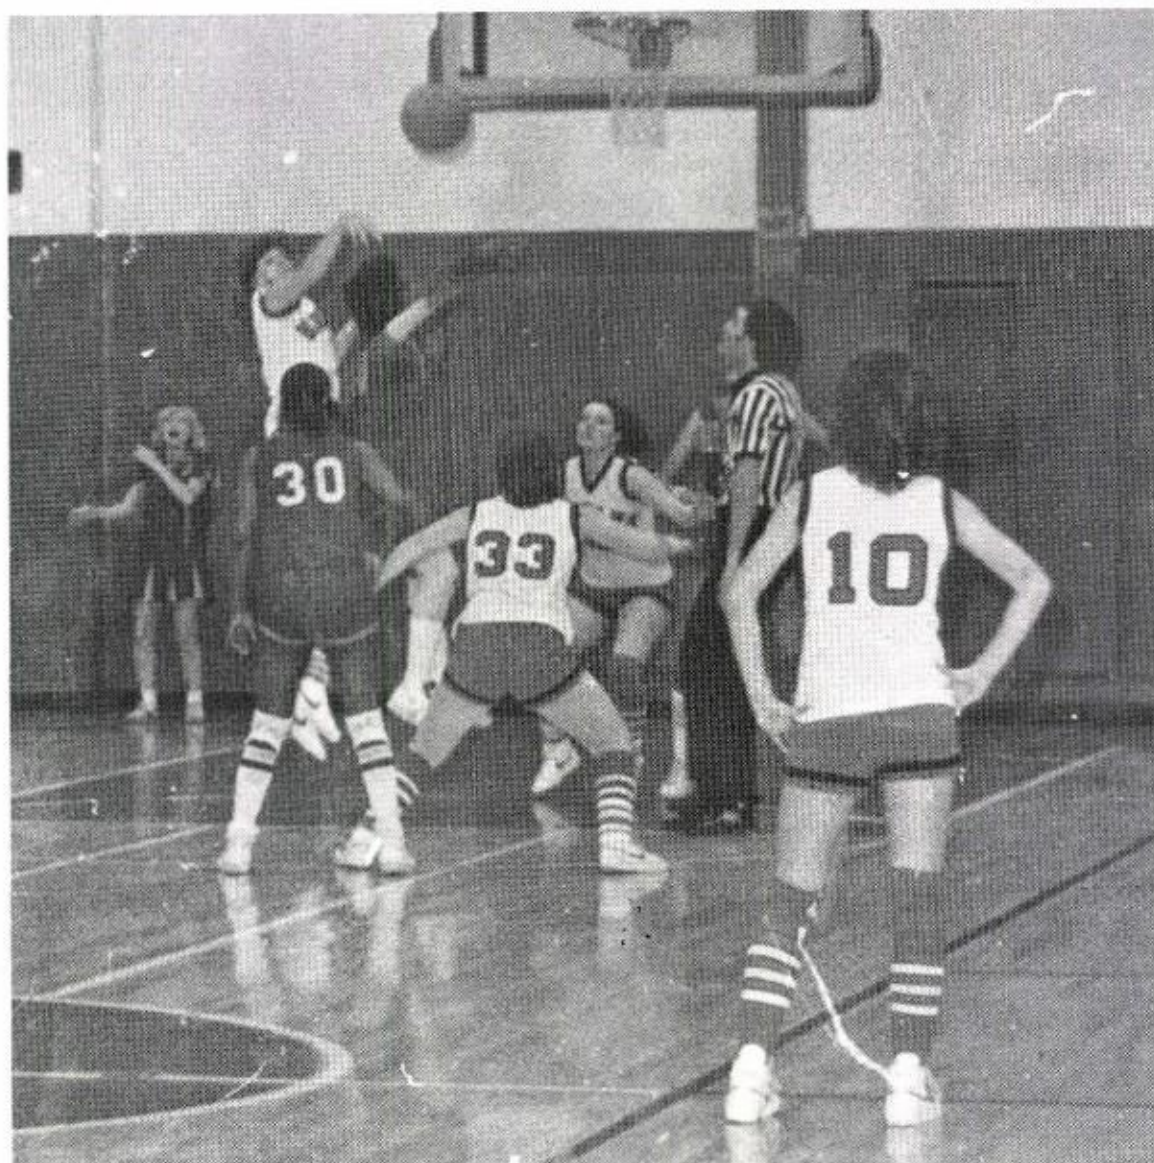

Girls' Basketball Team, Front Row: Cindy Maddux, Sylvia Stamp, Jennifer Brixey, Cindy Garrett, Susan Milt, Terri Triplett. Second Row: Lou Ann Porter, Fran Ikerd, Renee Chapman, Roxanne Goins, Holly Meeks, Lee Ann Harrison, Dana Smith, Terri Farris. Back Row: Coach Charboneau, Susan Webster, Mary Bush, Dawn Fischer, Jill Ball, Jennifer Reusser, Coach Pigg.

The Broncos had a terrific season this year. They won 23 and lost 5. This was a rebuilding year after losing all six starting seniors. The girls had to work twice as hard to make up for the lack of starting experience. Once on the court the Lady Broncos quickly proved their ability to handle any given situation, as their season record shows. The starters this year at the guard end were Jill Ball, Renee Chapman and Susan Milt, all seniors. The forwards were Dawn Fischer and Lee Ann Harrison, seniors, and Cindy Garrett, sophomore.

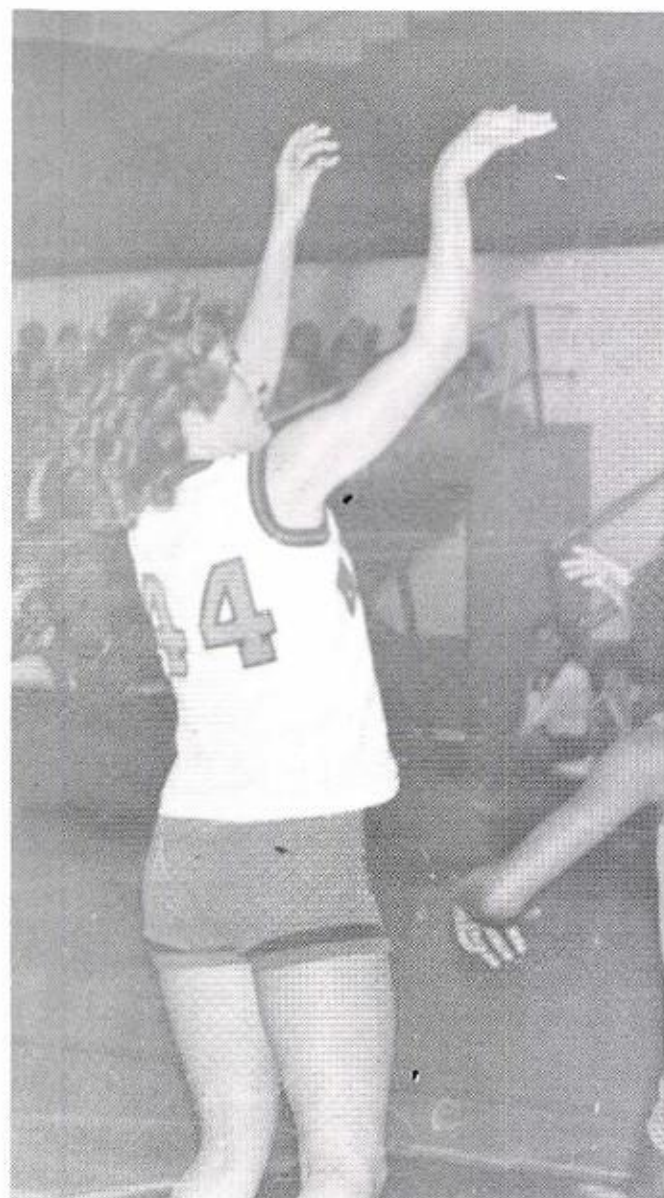

The Broncos got off to a good start the first game of the season when they blew away their rivals, Yukon, 68-51. They didn't let up much at all from the first game on. Mustang split wins with Western Heights after two hard fought battles but won the conference title after beating El Reno to finish 4-1 in conference play.

The long road to the state tournament was just beginning when Mustang hosted the Regional Tournament where the girls beat Classen and Star-Spencer to become Regional Champs.

The Broncos continued to play better all the time. They met Woodward in the area tournament at Yukon. Woodward was expected to be a tough opponent, but Mustang put them away early in the game. The final score was 60-37.

The Mustang Broncos were to play in the state tournament again. The Broncos eliminated McAlester and Bartlesville Sooner in the first and second rounds to put themselves in the finals. The final game was played against Mustang's biggest rival, Western Heights. The Broncos started out with the lead but Western Heights took control late in the second quarter and Mustang never took the lead again. The final was 42-56. The Broncos won the title of State Runner-up.

We Play To Win

The seniors showed great leadership at all games and practices this year. They kept the enthusiasm going, and all of them will be missed next year.

The Broncos had two All-Staters, Dawn Fischer, the leading scorer with 18.3 points per game; and Jill Ball, the Broncos' leading rebounder.

Conference Proves Tough

Freshman Girls Basketball Team, Front Row: J. Kudron, C. Coleman, L. Lukasek, S. Nunn, R. Bennett, M. Howie, E. Latham, M. Arnold. Back Row: G. Boyer, B. Fruits, P. McCarthy, T. Bray, Coach Charboneau, M. Denton, T. Williams, K. Phillips, L. Henson.

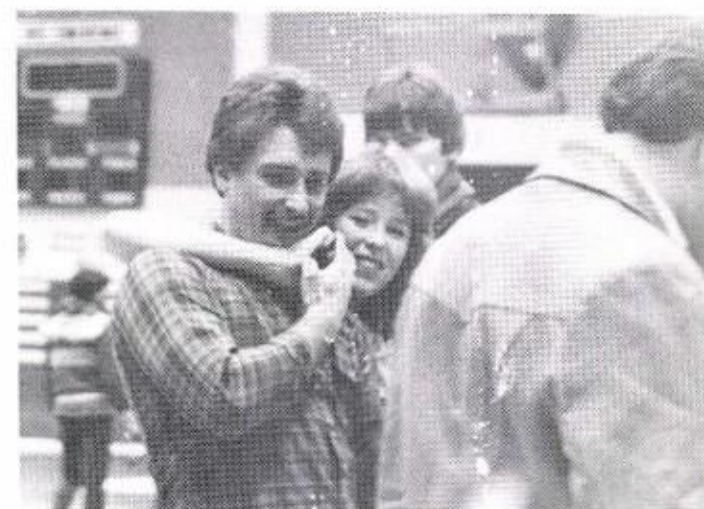

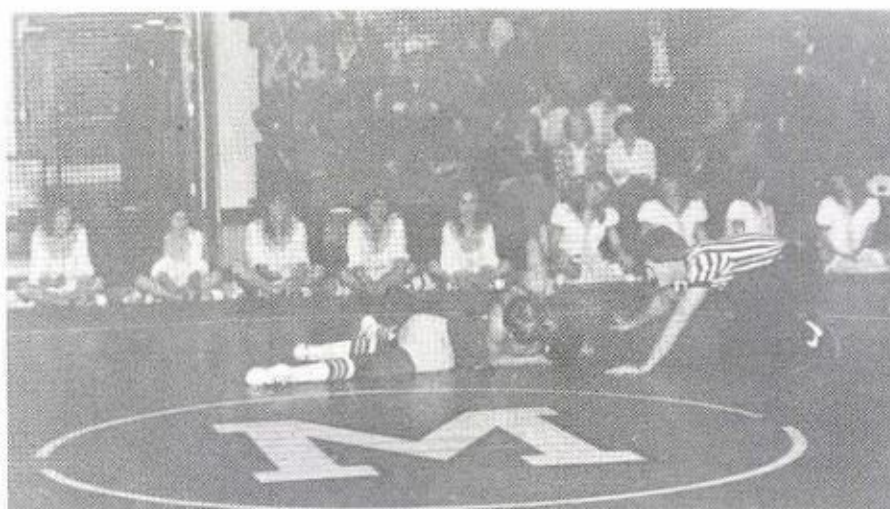

The 9th grade girls had a very successful year, during the season. They had a new coach, Dan Charboneau, who came right before their season started. The girls also had a very tough schedule. They played Yukon, Western Heights, El Reno, Lindsay, Chickasha, and McGuinness. They came in third in the Western Heights tournament, and fourth in the Noble tournament. They beat St. Mary's twice, Guthrie twice, McGuinness twice, and El Reno once. So even though their coach came in late, the girls did not suffer at all. After their season was over, they had a final record of 14-6. 2. The girls get ready for the tip off. 3. The girls anticipate the balls trajectory.

You Can Feel It— Bronco Pride A Closer Look!!

There's something special about walking around the halls the first days of school, greeting old friends and noticing the changes in their looks and actions. One can never forget the changing of schedules, those last minute rushes to the donut shop, or the smell of "food" in the cafeteria.

School didn't just begin at 8:30 in the morning and end at 3:25, the activities going on are carried out all during the week. Students from Mustang have always been one step above the rest and this year was no exception. Two-a-day football practices, marching at 7:30 every morning, and basketball after school, all fell together to make the school year just one more accomplishment in the lives of the Broncos.

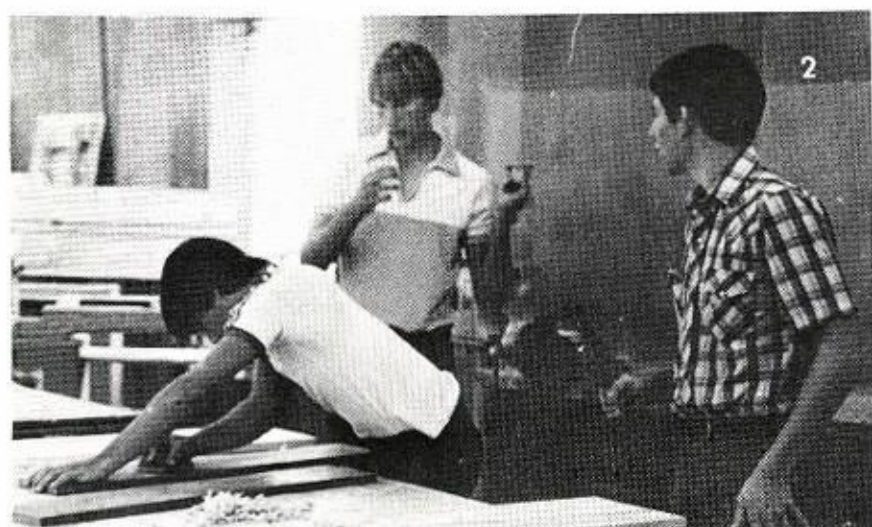

1. Construction students begin the year with a serious look at woodworking. 2. Bob Denison plays his role in the homecoming ceremony. 3. Flag Corps girls perform routine to "Another One Bites The Dust" during halftime of the Jets game. 4. Broncos break through as they begin their rampage on McGuinness. 5. Yearbooks for '81 were received with anticipation. 6. Halls in the new East building are being filled for the first time.

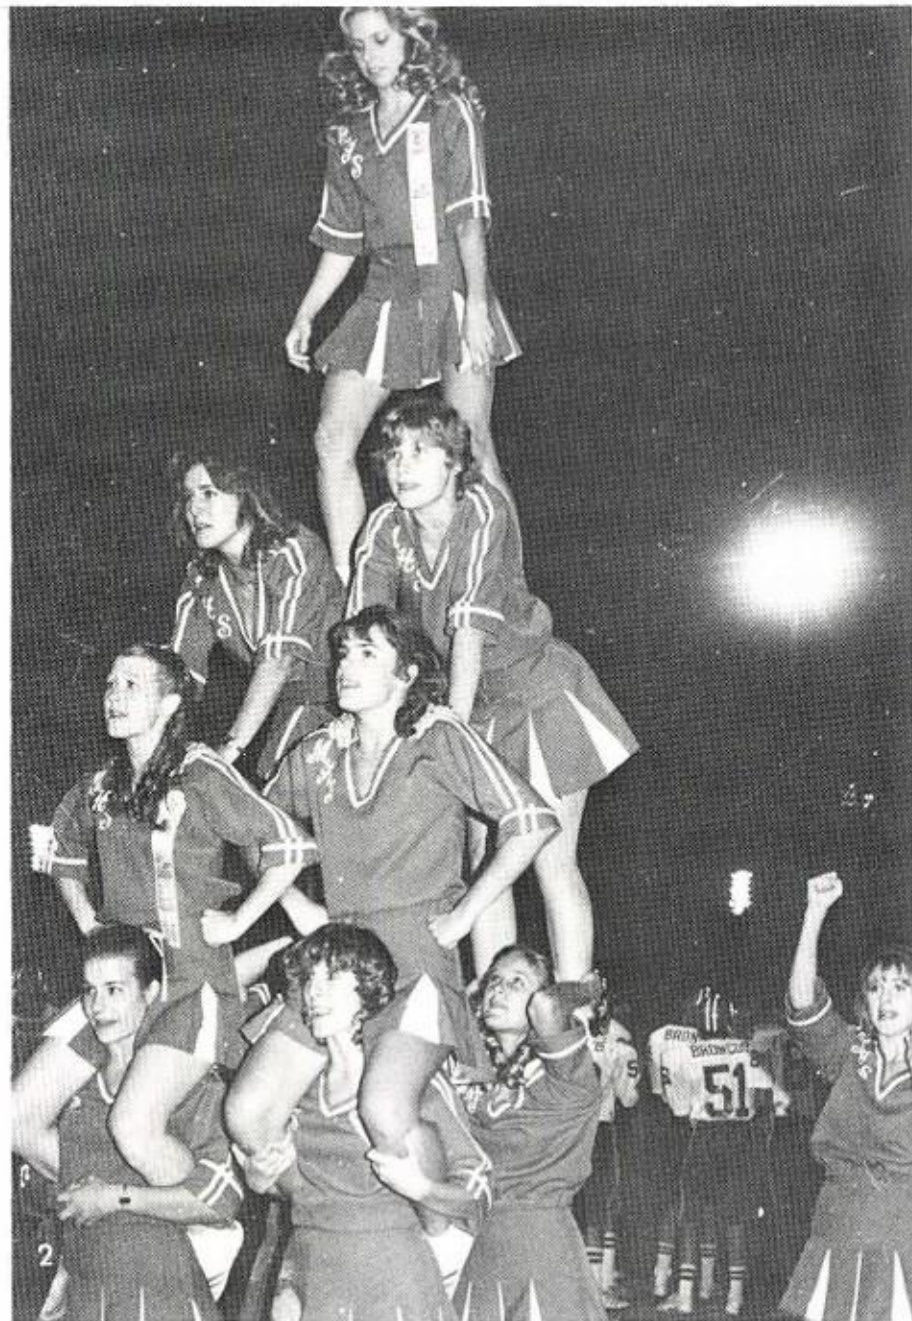

Spare Minutes Provide Time For Personal Pleasures

Even though Mustang is considered "in the country" by outsiders, the students are still the same as in any other school. They attend classes, work on projects, participate in sports, hold down jobs after school, and enjoy the things "city" kids enjoy. Outside of school parties are held by various clubs. 1. Terri Ross, Kevin Lewis and Kenneth Huntmacher partake of the finer foods in life at Show Biz Pizza Palace. The yearbook staff had a back to school get together. 2. Woodworking students don't seem to mind the mess that comes with being creative. 3. Mr. Sine's senior English classes dramatize the "Canterbury Tales." 4. FBLA members, both old and new, take time out from homework and jobs to enjoy their membership party. Donna Whetstone had the group gather at her house for food and fun.

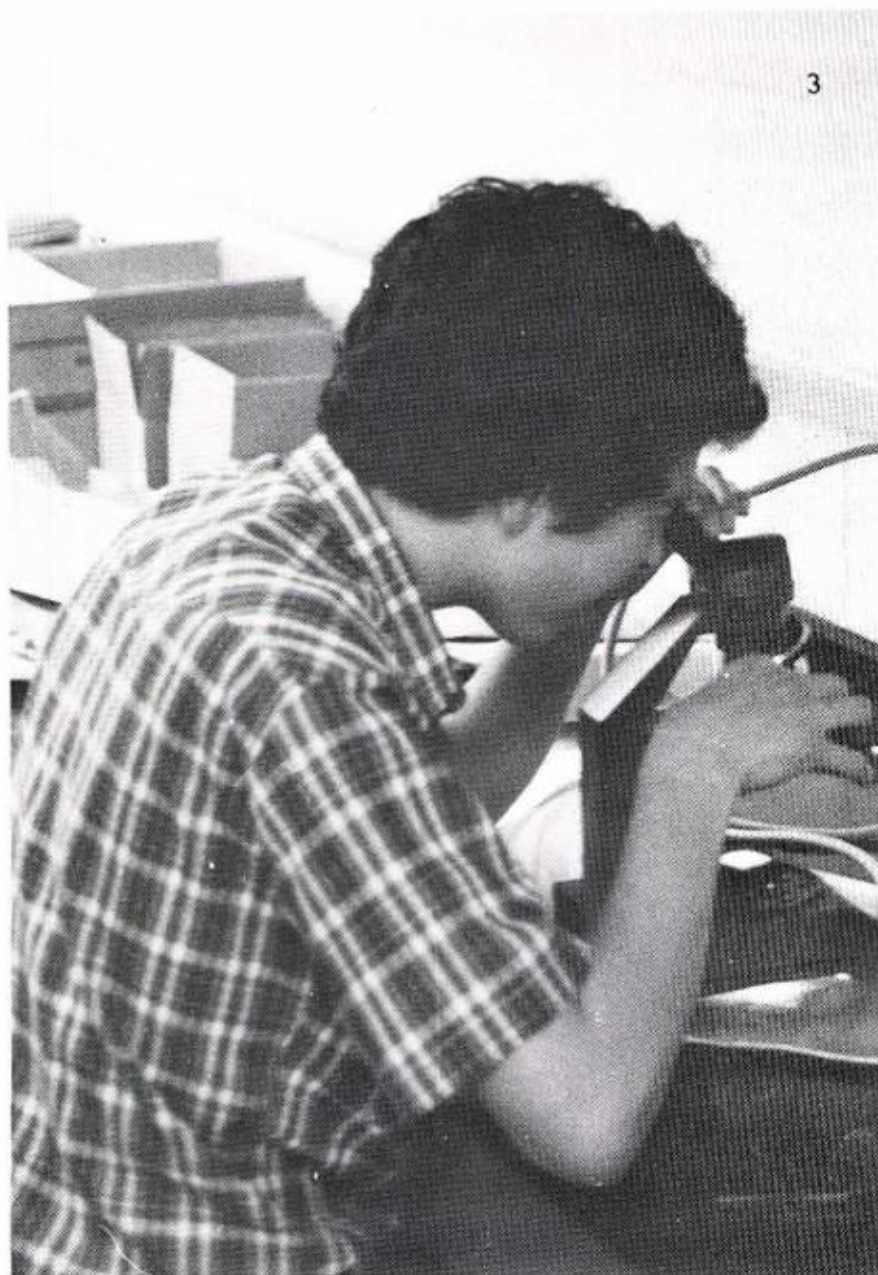

1. Kathy Coleman and Chris Hutcherson take a break from class. 3. David Nelson takes a look at germs.

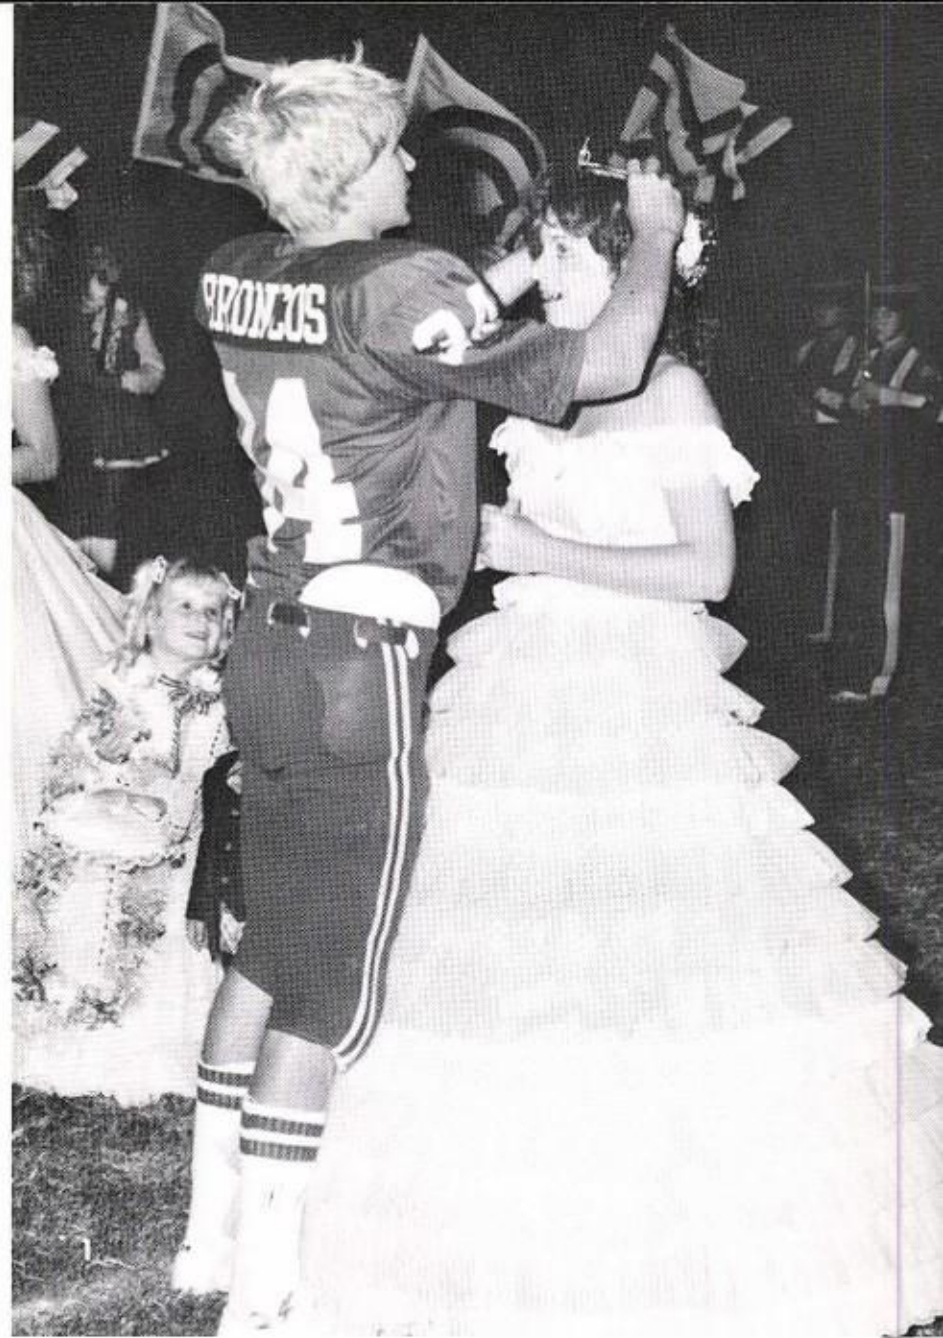

2. Varsity cheerleaders perform a stunt during a football game. 4. Terrie Estes and Lisa McMahill enjoy each other's company.

Mary Nabs Number One

On the night of Sept. 25th, Miss Mary Garrett was crowned homecoming queen by Terry Chestnut. Her court consisted of Brenda Terrett, escorted by David Stanley and Jamie Sanders, escorted by Bob Armstrong. Every year the pep club decides on a theme for the event and this year they chose a Hawaiian theme. The Bleacher Bums provided the lighting by carrying lit torches onto the field. Kim Taylor, Rhonda Spears, Buck Moore and Stuart Lankford sang "The Hawaiian Wedding Song."

After the crowning, Mary and her court were seated on a Hawaiian designed platform for the remaining half of the game. The close of the evening saw another Bronco victory over McGuinness 7-3.

1. Homecoming queen Mary Garrett is crowned by Terry Chestnut. 2. David Stanley escorts Brenda Terrett. 3. "Make It Like A Memory" served as the theme for the event, which was held at the Great Hall at the Myriad. Stardust provided the musical entertainment for the evening. Take Time To Reflect

Baccalaureate was held Sunday, May 16. Rev. Kenneth Pamplin gave the invocation, and the Concert Choir provided the music. Mr. Rowley introduced the speakers: Rev. Jim McNabb gave the address, and Rev. Bob Farney gave the benediction. Mrs. Sallie Franks played the processional and the recessional.

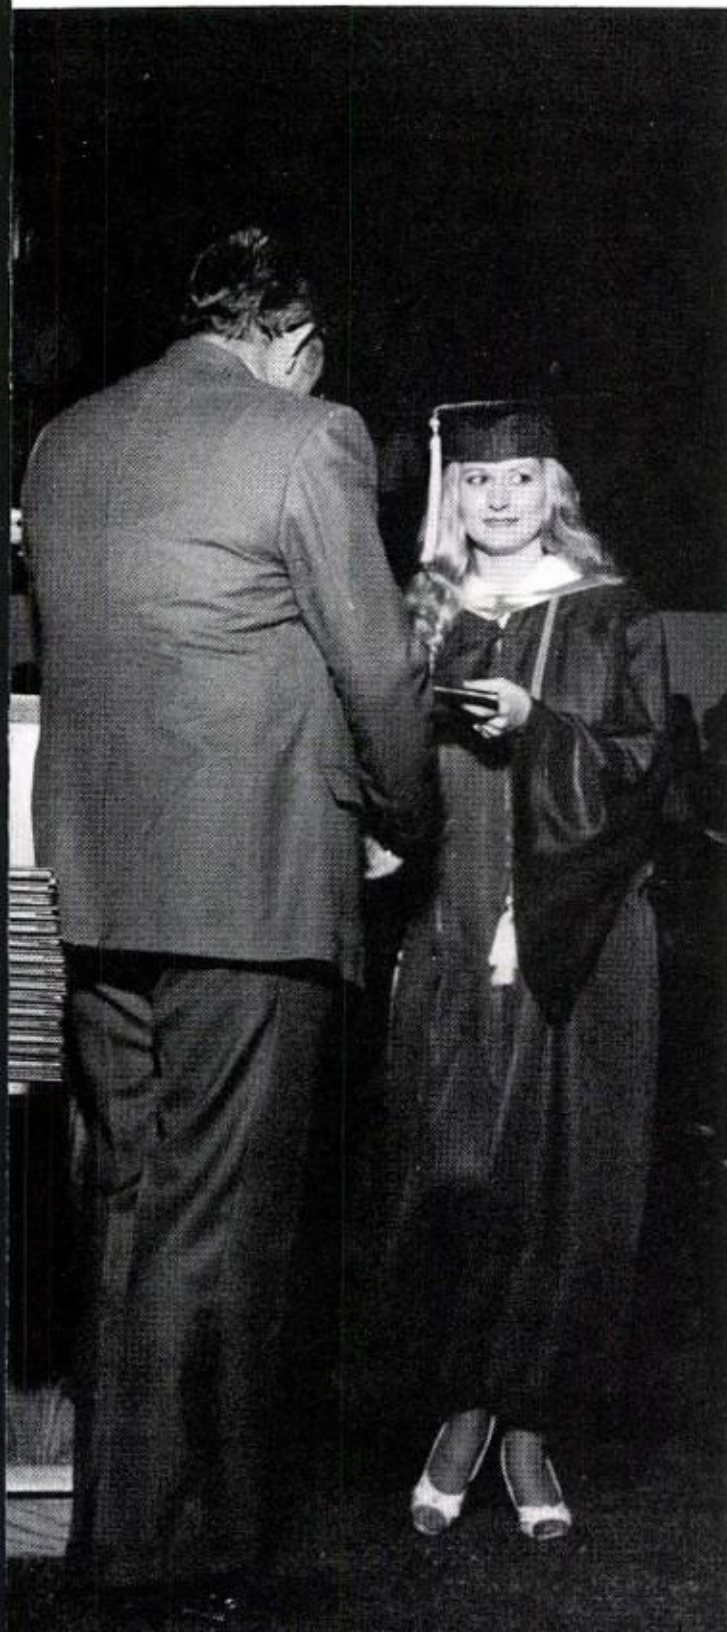

1. Seniors march in and take their seats. 2. Rev. Bob Farney gives the benediction. 3. Rhonda Spears sings "Mahogany". 4. Mr. Walker keeps things on schedule as seniors file into the auditorium.

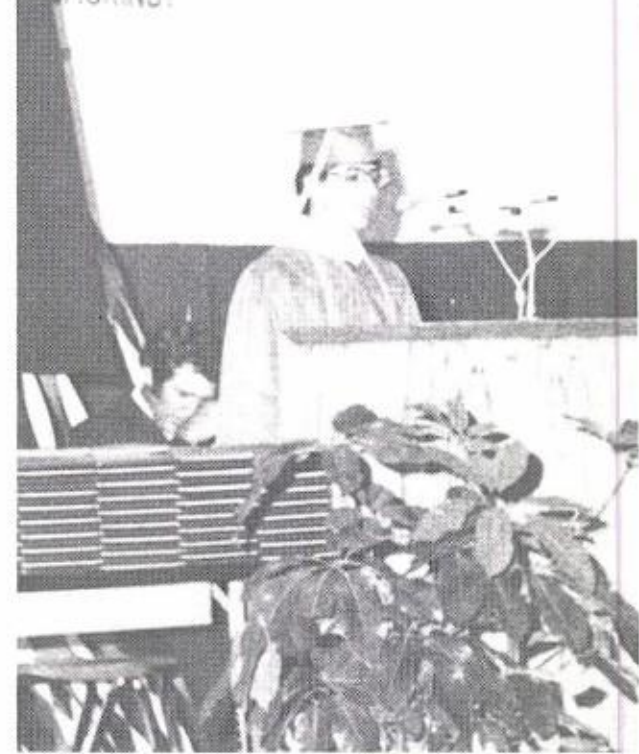

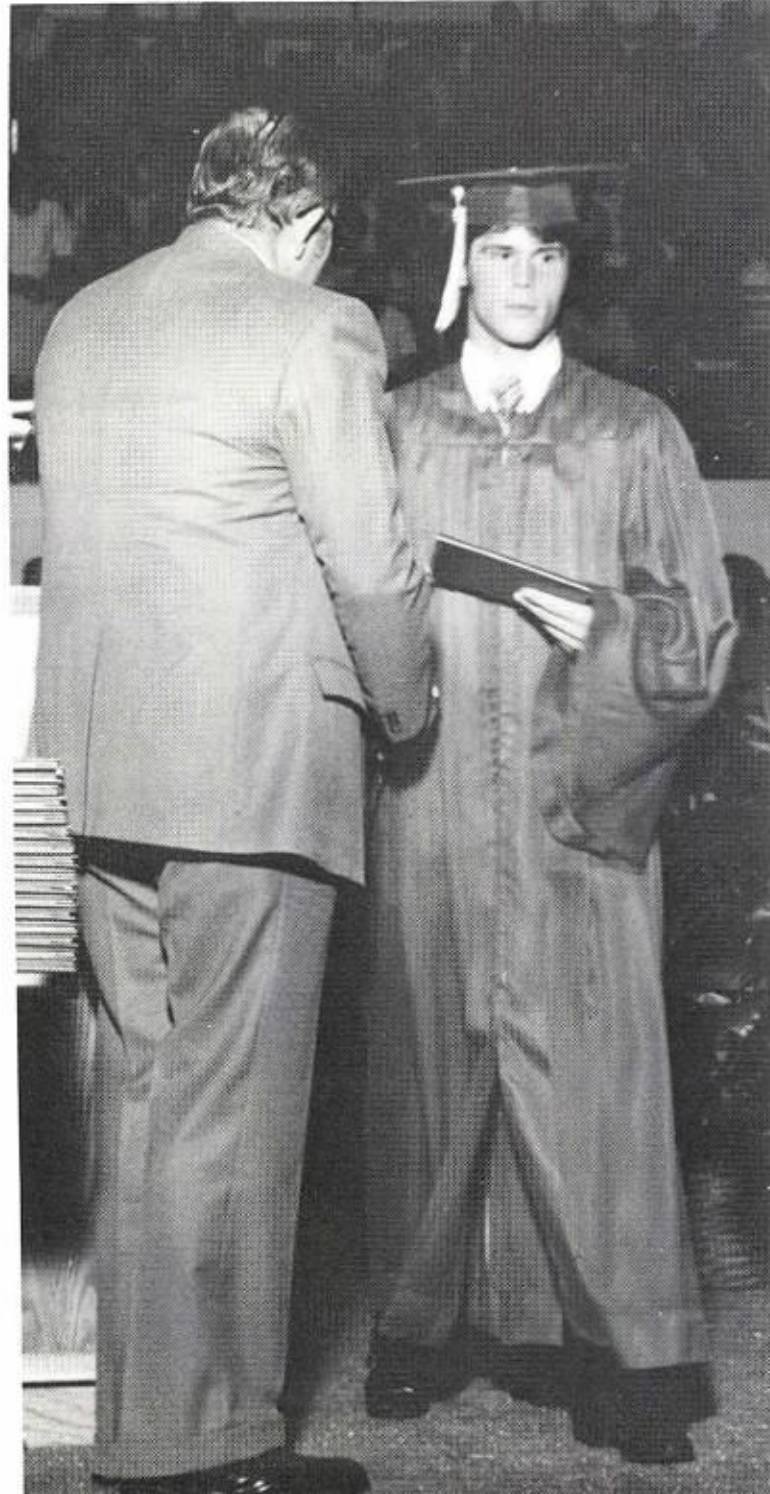

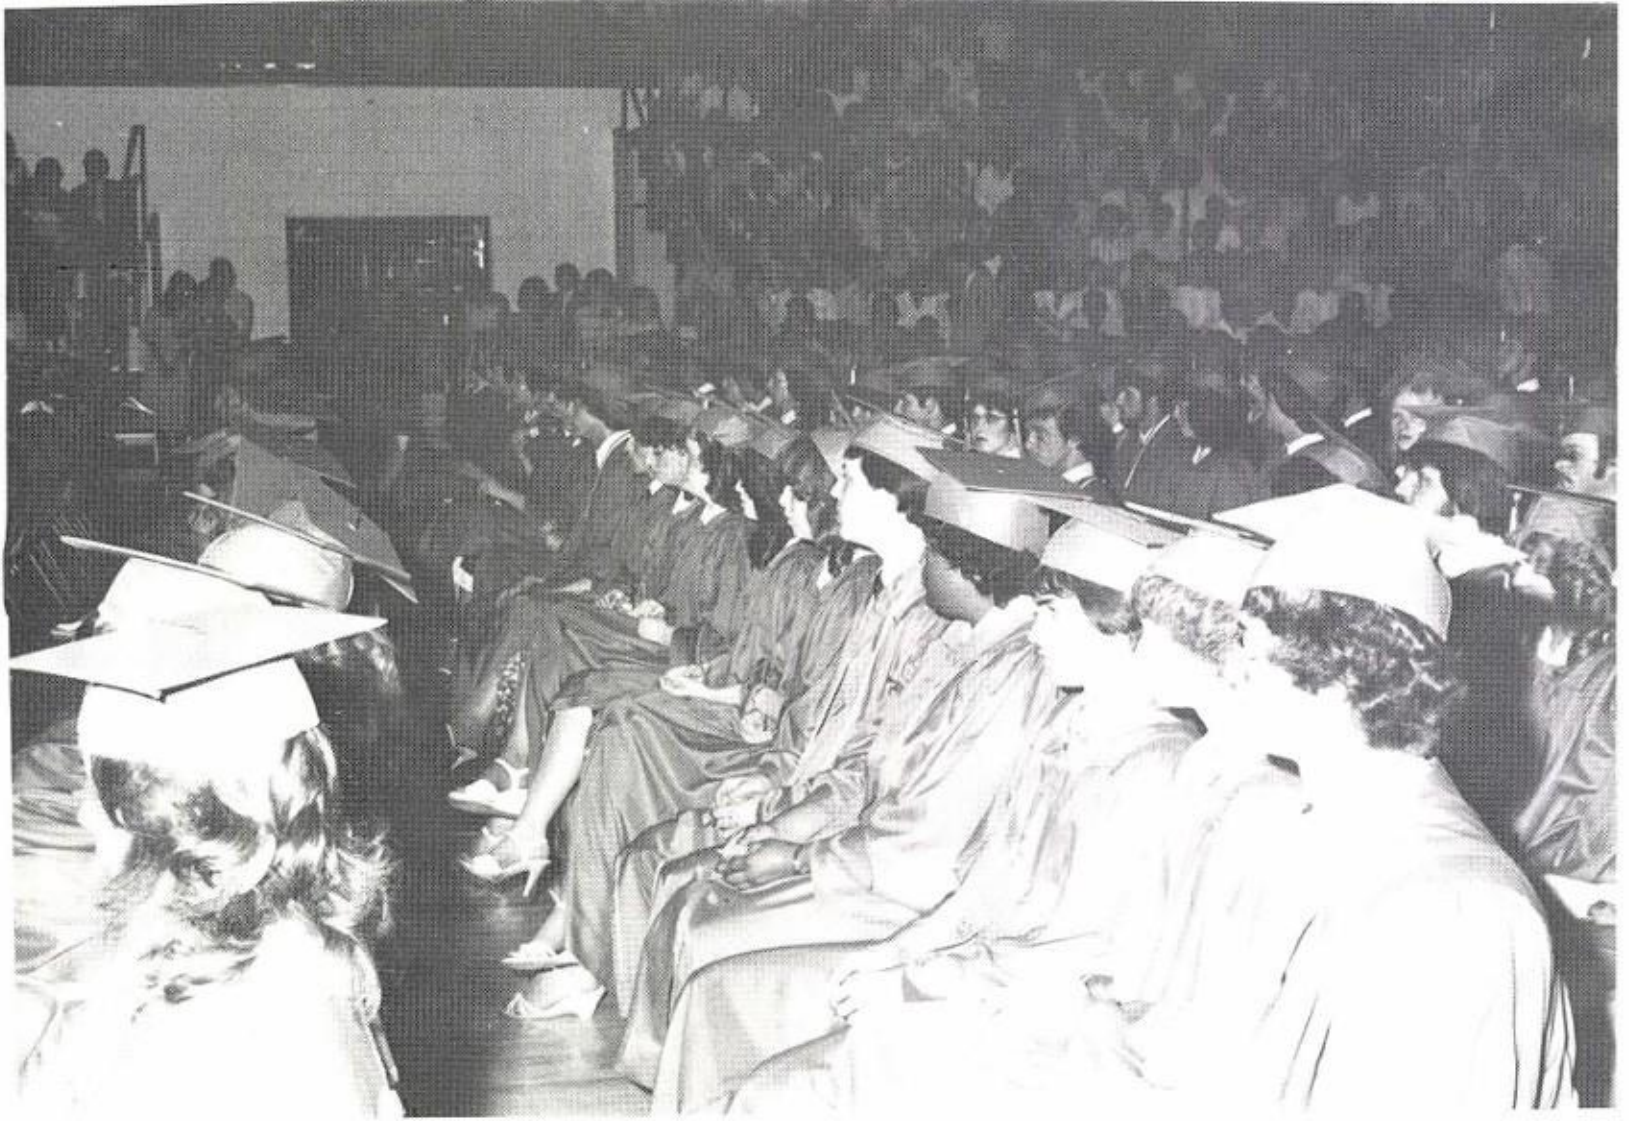

Amid tears and smiles, handshakes and hugs, the senior class of '82 bid farewell to M.H.S. Thursday, May 20 in the gym.

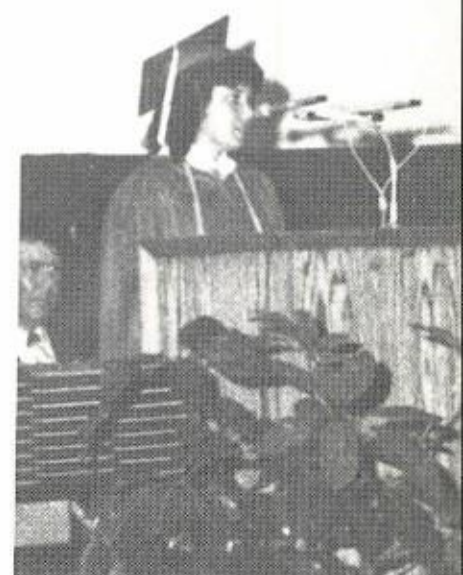

The Finishing Touch—A Turn of The Tassel

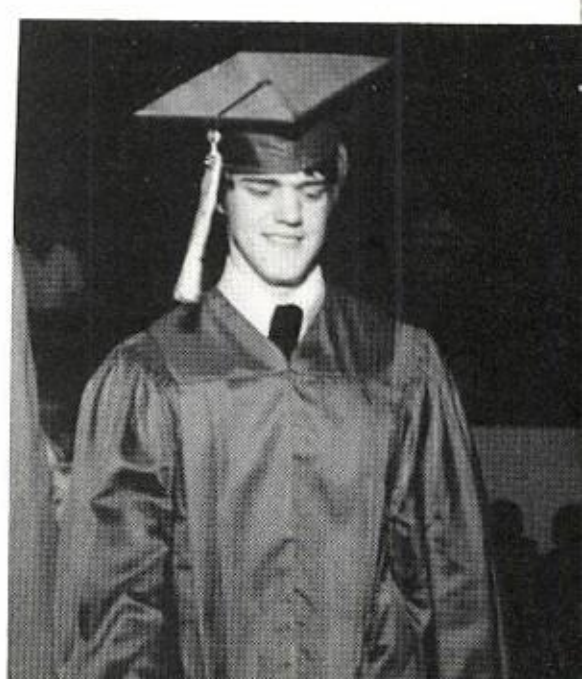

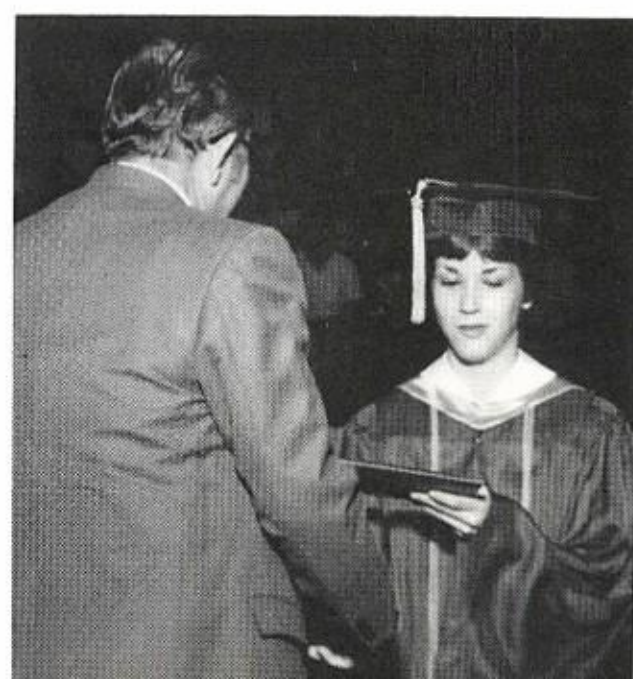

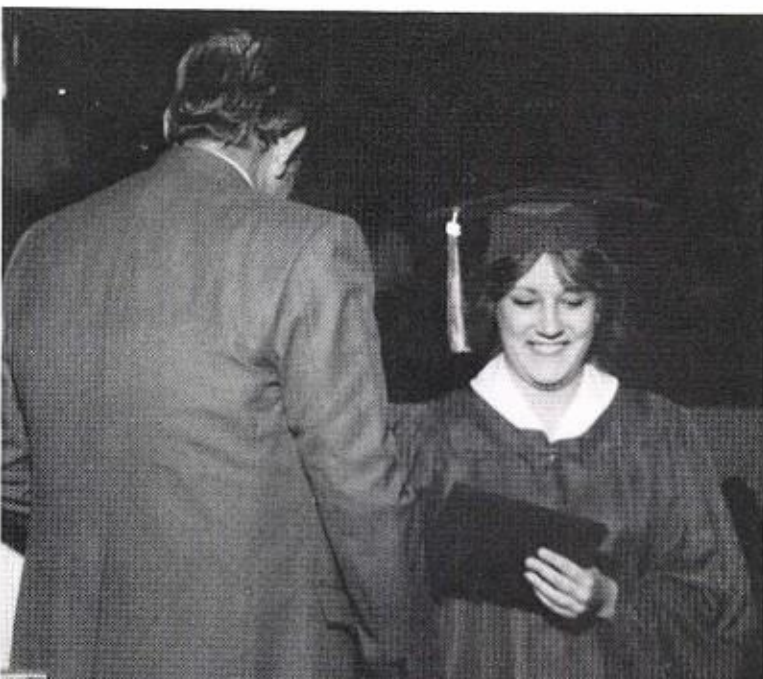

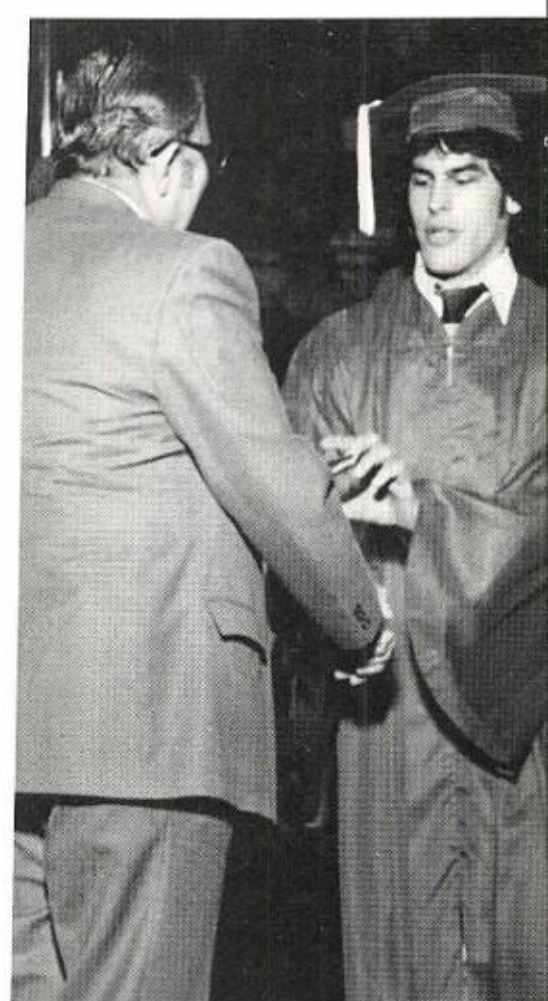

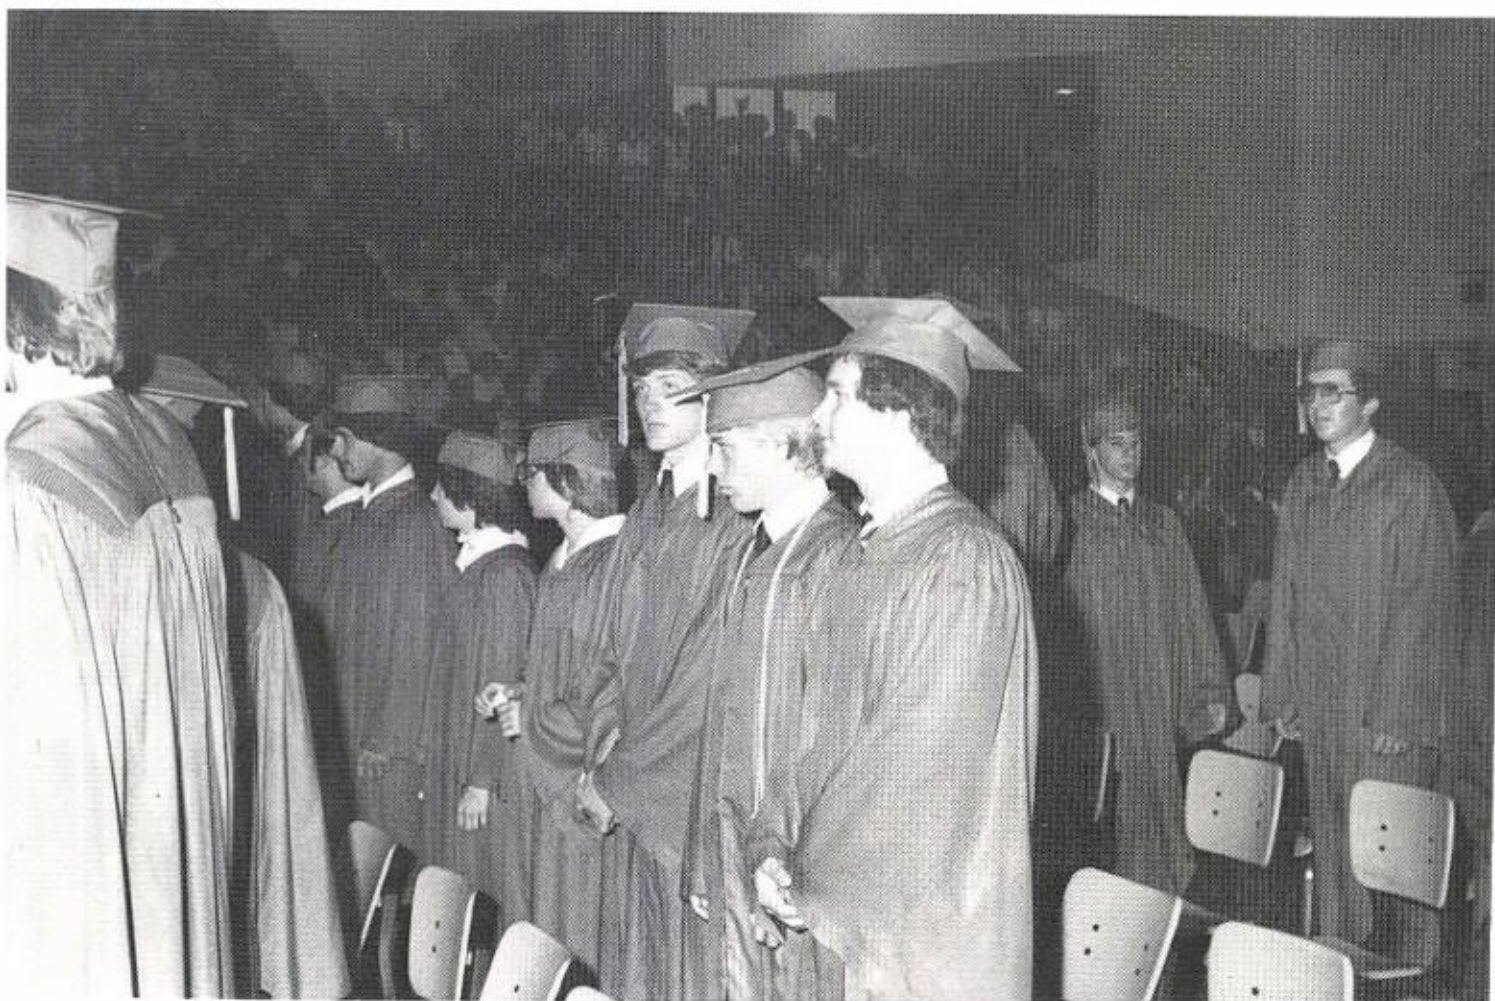

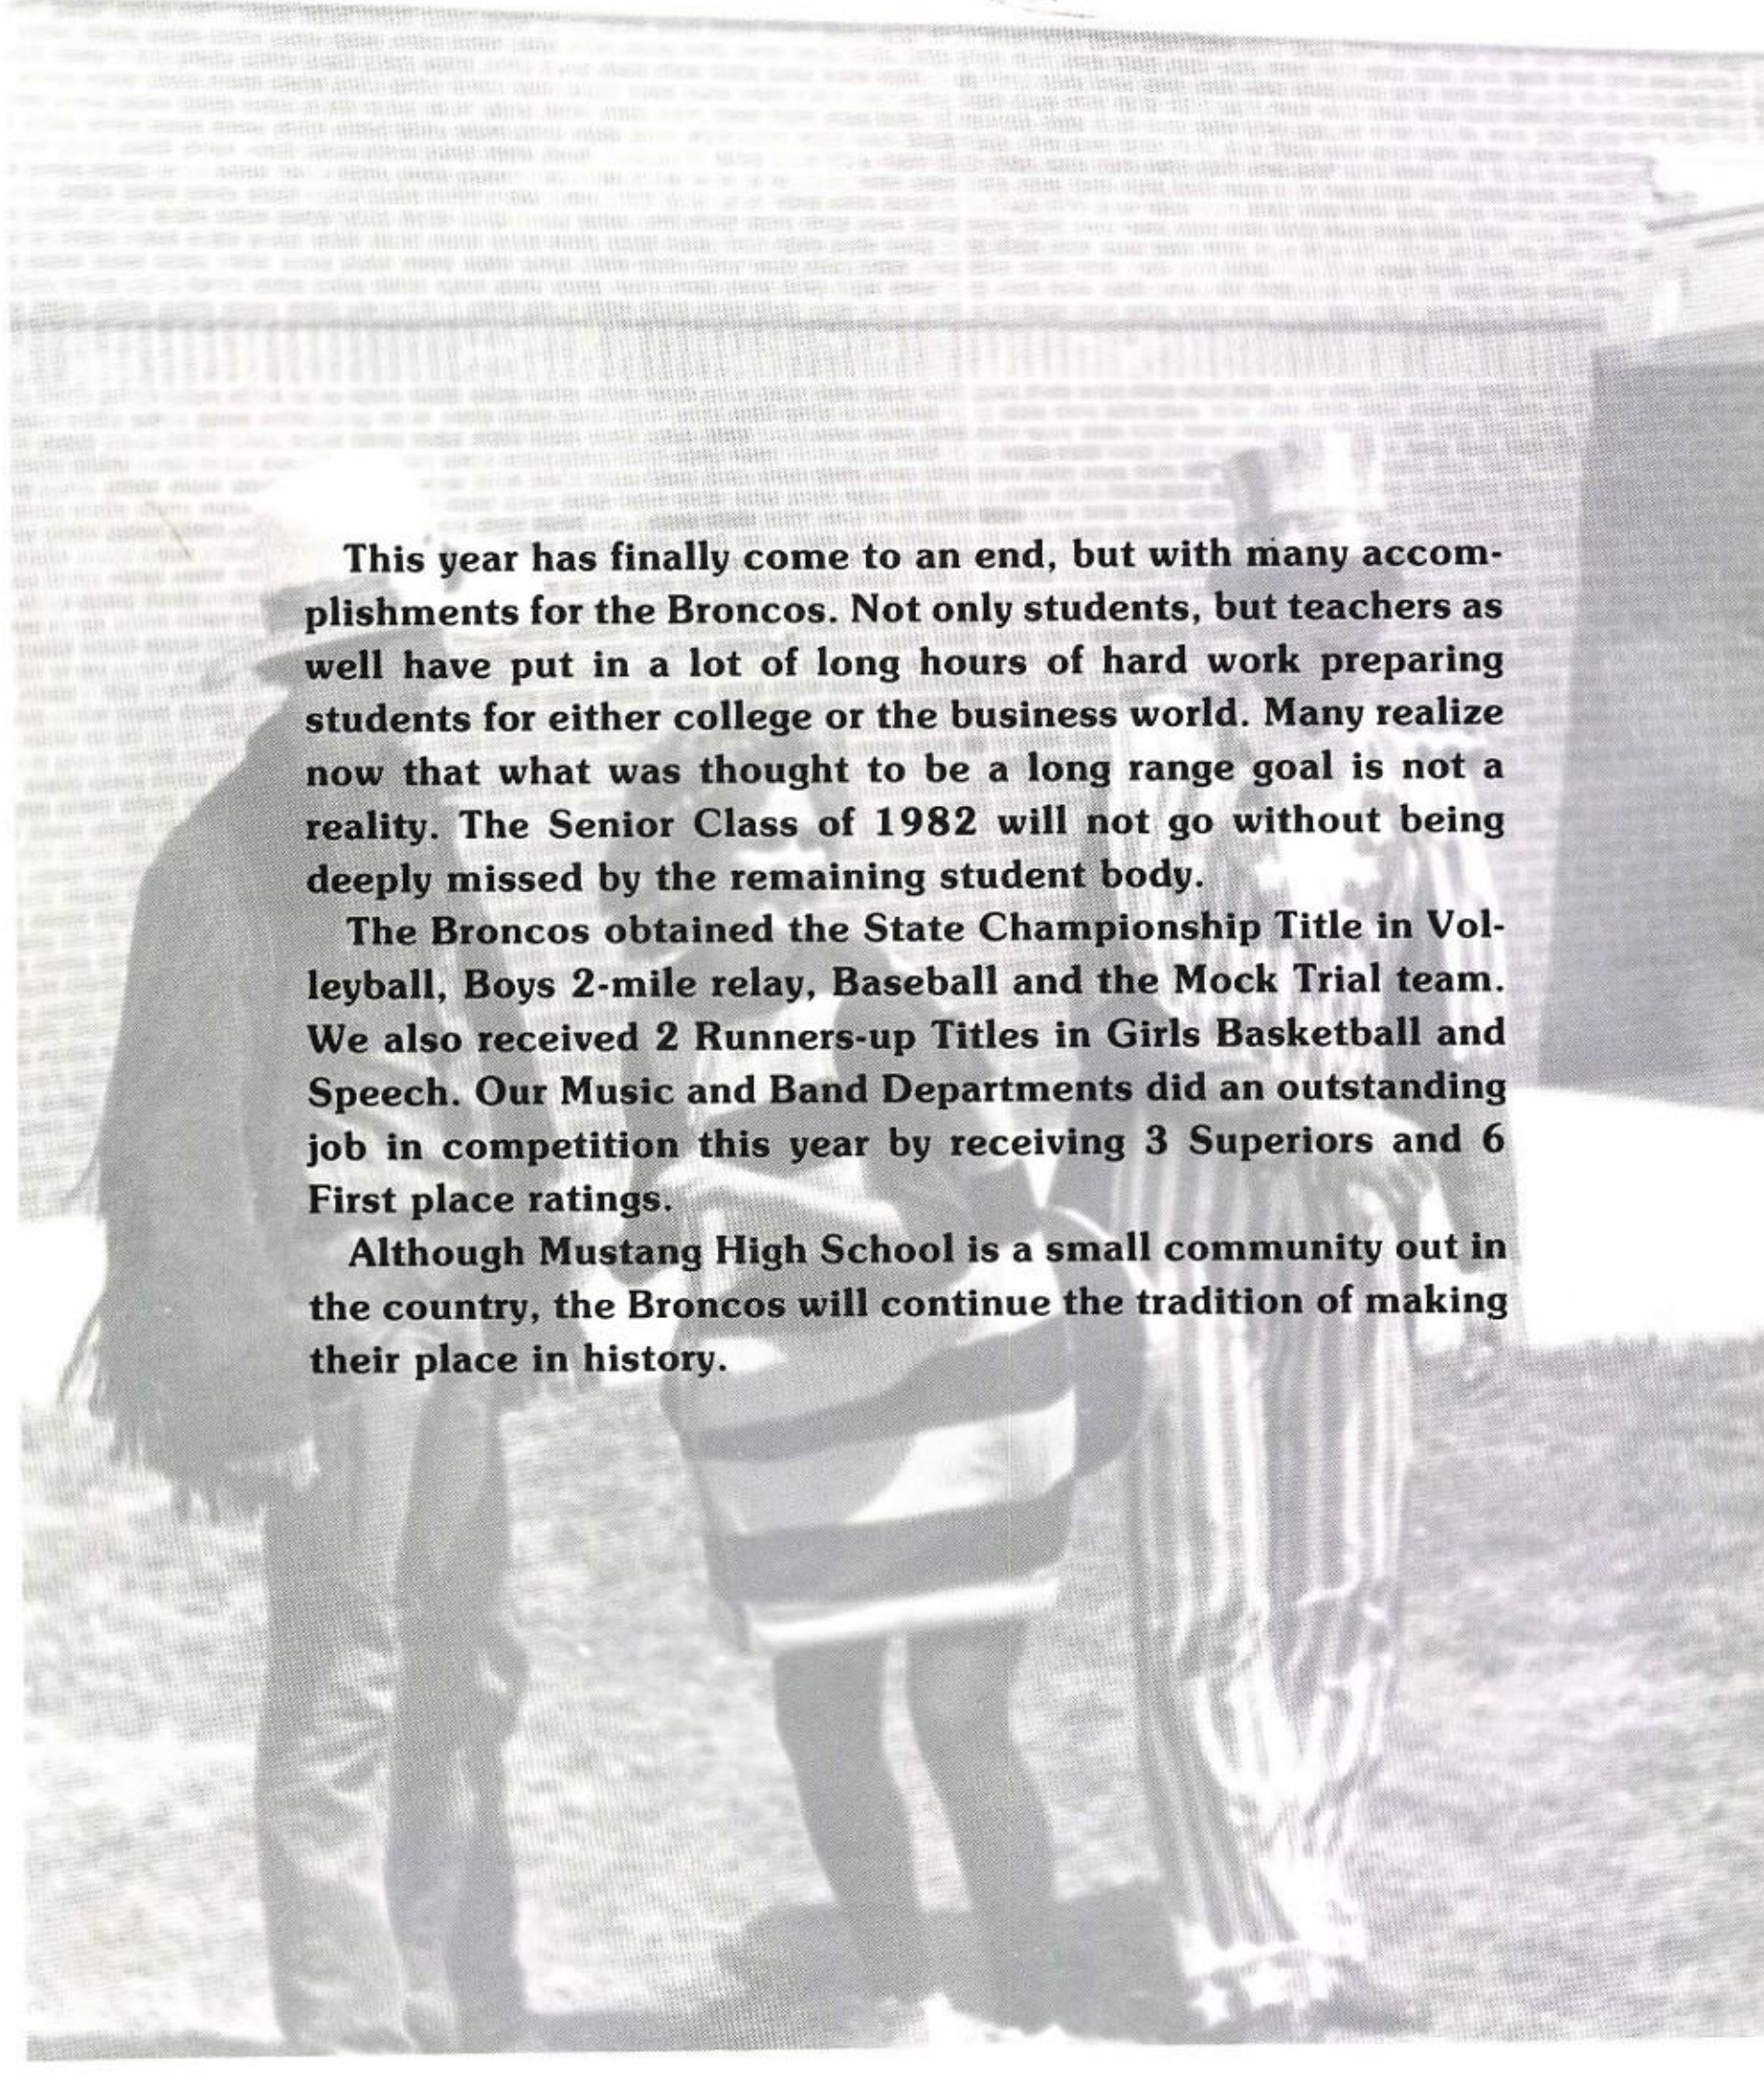

G1

Seniors Happy After Last Amen

This year has finally come to an end, but with many accomplishments for the Broncos. Not only students, but teachers as well have put in a lot of long hours of hard work preparing students for either college or the business world. Many realize now that what was thought to be a long range goal is not a reality. The Senior Class of 1982 will not go without being deeply missed by the remaining student body.

The Broncos obtained the State Championship Title in Volleyball, Boys 2-mile relay, Baseball and the Mock Trial team. We also received 2 Runners-up Titles in Girls Basketball and Speech. Our Music and Band Departments did an outstanding job in competition this year by receiving 3 Superiors and 6 First place ratings.

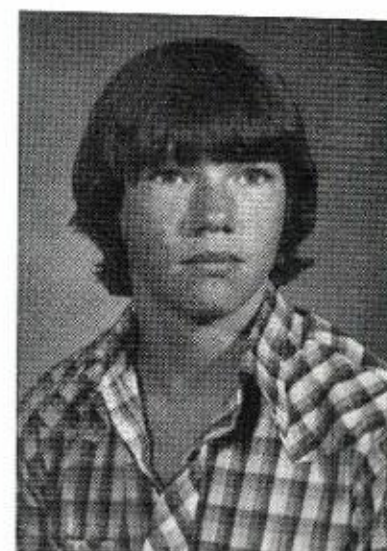

Although Mustang High School is a small community out in the country, the Broncos will continue the tradition of making their place in history.

Robert,

you always been good to me. I
really glad I got to know ya.

I'm really sorry things didn't
keep going for us. I still feel the

same way ya at you & I think
I always will. Maybe one of

these days we could try it again.

I hope ya treat all your future

girl friends like you did me.

You really mean a lot to me

& there are a lot of things I

would like to tell you, but I

won't write, I would like to

tell you in person so you

could tell me how you

feel. It'll be alright 'cuz it's

going to hurt me, a lot.

I wish ya are the best in life

& if you ever need me,

I'll be here. Love ya, always.

Robert,
Howdy, I'm really glad I met
ya this year, even if it was
close to the end, but I'm even
happier that we're datin. I
know that we've gotten into a
couple fights, but I only got
mad at ya because I don't
want ya to slip through
my fingers. I really love
ya alot, and hope that ya
will always love me the
same. I hope we date for a
long time, and I'm not sayin
that we will, but if we
should ever breakup I
hope that we can still be
great friends.
